	2:00 – 3:00pm	Sports Hall	Religious Education Paper 2	1 Hour

During the time of the Trial Examinations Year 11 students must attend college at the normal time of 8:45am each day and go to morning registration; they must then go to their examination directly after so they can commence promptly. Students will then either attend normal lessons or a timetabled examination, whichever is applicable. Please note that there will be **no study leave** for students during this period. All students are expected to attend lessons as normal when they are not in an examination: Students will be dismissed after their afternoon examinations.

If your child is unwell and misses any of the above examinations, they will be expected to take the examination when they return to college and this will be a different examination to the one that has already sat by their peers. In some instances, the GCSE trial examination results will be used by teaching staff to decide on entries for GCSEs this summer and will also determine the predicted grades provided to further education or Post 16 Colleges on request.

Please note that all students must attend in full college uniform and ensure that they bring the appropriate equipment i.e., pen, pencil, calculator. Mobile telephones are strictly prohibited and will not be allowed in the Examination Hall. The College will arrange for these items to be stored for the duration of an examination but does not take responsibility for loss or damage during this time, therefore, I strongly recommend that all electronic devices are left at home.

If you require any further information or have any questions regarding the Trial Examinations, please do not hesitate to contact the college on the number below.

Yours faithfully,

M. Kapadia

Mrs H Kapadia
Principal
