

## Alliance Challenge

On Friday 12th February, Rosedale College embarked on an Alliance Challenge, which saw them celebrate their sporting and artistic talents, promote mental wellbeing and shine as local pillars of their community. Staff and students embraced the array of challenges wholeheartedly and thus produced some phenomenal entries. Emotional videos that compelled viewers to cry a tear or two, mouth-watering baked goods that demanded to be eaten and Science, Technology, Engineering and Mathematics (STEM) games that challenged even the brightest of minds were submitted.

Extensive thought, continued commitment and tremendous talent were visible in each and every entry. Students worked independently, and in pairs to produce some fabulous outcomes; entries were of such a high quality that all tasks required lengthy discussions before winners could be announced.

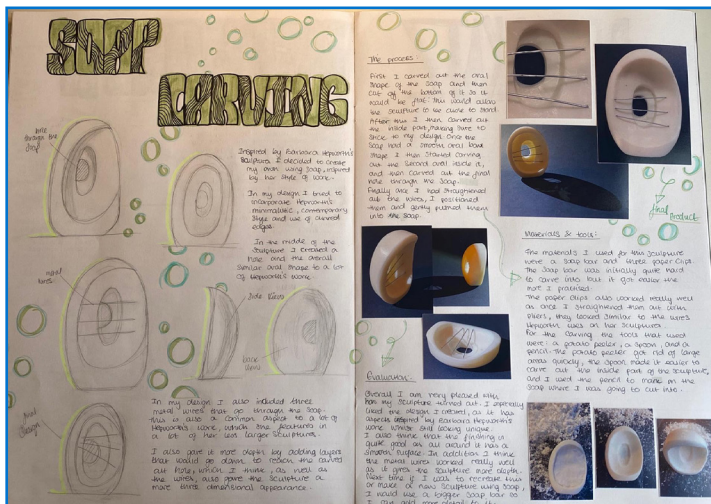

Huge congratulations to the L Alliance who won this year's first Alliance Challenge – they combatted some extremely tough competition to attain this highly desirable top spot; everyone is looking forward to round two this summer!

## Student Art Gallery

The following page will be used as an Art gallery to showcase some of the incredible Art work our students have achieved during the lockdown. The gallery will feature assigned projects from Jiya Phull, a Year 12 student, who has completed some artist research about Barbara Hepworth, and recreated Hepworth's work using material that was available at home (a soap bar and potato peeler). Well done Jiya, your work is outstanding!

We would also like to showcase some work from our Year 7 and 8 students who have been working on the theme, portrait and observational drawing, reproducing a still life composition.

Well done to Aaruthan Luckeeswaran, Caitlin Brockwell, Mireya Sriram, Mayra Kovacs and Alicia Kaur; we are really impressed with the work you have created. Keep up the good work!

## Full College Reopening - from Monday 8th March

Following the government's announcement, we are delighted that we can welcome all our students back into college from Monday 8th March. Please click on the following link: <https://trhat.co.uk/letter-reopeningcollege21-rc/> to locate the letter to parents, guardians and carers which sets out the plan for the reopening, taking into account a staggered return in the first week to accommodate testing. We look forward to seeing all our students back in class.

## Lateral Flow Tests Consent Form

With schools reopening to all students from Monday 8th March, it is necessary to ensure that our sites are safe. As such, we will be administering the lateral flow tests to all students 3 times this term according to government regulations. Along with the other protective measures we are taking, these tests will help staff and students to remain in college safely. You will have received a letter detailing further information about the test. In order for your child to receive the test, please ensure you complete the consent form via (<https://trhat.co.uk/letter-covidlateraltest/>) if you have not done so already.

## Update on Face Masks

As the government has made the wearing of masks compulsory for all students in all lessons, students are required to come to college with a face mask, which is to be worn around the site at all times except outside at break and lunch. As opposed to our previous communications, wearing a face mask will also be made mandatory in all lessons, except where the nature of the lesson means a mask is not appropriate, for example, during Physical Education (PE).

We strongly suggest that parents, guardians and carers supply their children with at least three masks to carry with them at all times, in case of loss. We recommend the washable cloth masks as opposed to the blue disposable types. The College will not be providing spare masks for students who arrive to college without them.

## Grades for Students - Your Questions Answered

The Department for Education (DfE) have put together a guide for parents, guardians, carers and students about this summer's process. You can read it here:

[https://dfemedia.blog.gov.uk/2021/02/25/what-you-need-to-know-about-grades-in-2021/?utm\\_medium=email&utm\\_source=govdelivery](https://dfemedia.blog.gov.uk/2021/02/25/what-you-need-to-know-about-grades-in-2021/?utm_medium=email&utm_source=govdelivery).

	
<h3>March to May 2021</h3>

International Women's Day is a day to celebrate the acts of courage and determination of empowering women, whose remarkable achievements have played an extraordinary role in the history of their nations. It is a day dedicated to honouring the contributions of such women who have made a difference through their resolve, sacrifices and their part in the advocacy of women's rights.
