

Extra Curricular Activity

Here at Rosedale College we offer a broad range of extra curricular activities. These activities span sports, technology, ICT, music and art, maths, science, humanities and languages. Extra-curricular activities are widely considered valuable life experiences that are open to all students at Rosedale College. Students benefit greatly from participating in organised extra-curricular activities, they can develop positive tangible outcomes from these experiences of interacting and working with others which could benefit them in later life.

Extra-curricular activities enables students to have a productive break from studies and homework, support and extend their learning in a range of subjects, improve their social skills and increase their physical fitness.

The Technology and IT Alliance offers three extra-curricular clubs, IT Club, Food Club and Technology Club. All three are very popular with the students who greatly enjoy the activities on offer. In IT students can utilise their time to engage in fun activities, catch-up on homework, extend their class studies or experience virtual reality by using the VR headsets.

In Food Technology students extend their previous studies in Food Technology, through the production of a range of healthy food products. Technology Club allows pupils to pursue their interest in Design and Technology and hone their practical skills using our fully equipped workshops or CAD/CAM equipment.

Students access a range of advanced equipment, such as the laser cutter and vinyl cutter to produce products using a range of different engineering skills. At present students are currently making the circuit for their own Rear Bike light designs which involves a range of skills including soldering the components to the circuit board.

POST 16 OPEN EVENING - Wednesday 30th November

The Rosedale Hewens Academy Trust will be holding its Post 16 Open Evening on 30th November at 5:30 - 7:45pm. Students and their families are invited to attend the evening to find out what opportunities are available for them in the next step of their secondary education.

Please be advised, in order to keep the crowds to a minimum, only one adult per prospective student will be permitted to attend.

World Children's Day - Sunday 20th November

2022 Theme: Inclusion, For Every Child

[World Children's Day](#) is UNICEF's annual day of action for children, by children.

From climate change, education and mental health, to ending racism and discrimination, children and young people are raising their voices on the issues that matter to their generation and calling for adults to create a better future.

This World Children's Day, it's more important than ever that the world listens to their ideas and demands.

On 20 November, kids will stand up for a more equal, inclusive world.
