

Mixed Media and Collage Techniques

Year 10 Art students were set a task to use different materials to understand the concept of mixed media and collage techniques. Students were shown how to use the technique, and then had a group discussion while analysing images. They were given the tools needed and were told to create their own collage using the materials in front of them. The piece had to show expression and creativity. The students really enjoyed this task, and the results were wonderful!

The Handshake Problem

A team of Mathematics specialists from the Mathematics Alliance at Rosedale College visited Rosedale Primary School over two days last week to do a Mathematics investigation for Year 6 pupils. The aim of the visit was to encourage pupils to think about problem solving in Mathematics using Algebra. All the pupils involved were very enthusiastic and absolutely loved the sessions. The investigation they were trying to crack was the famous 'handshake problem', with the big question being: "How many handshakes will happen in a room of fifty people, if every person were to shake hands with everyone else in the room?". The majority of the pupils expressed how much fun they had, and they were very impressed with some of the Mathematics tricks that they were shown during the sessions. Well done to all the Year 6 pupils who took part in the sessions; we were really impressed with the amount of energy that was put in to come up with the end formula. The Rosedale College Mathematics Alliance look forward to delivering more sessions in the upcoming year!

World Emoji Day - Saturday 17th July

WE LOVE OUR PLANET but it is in need of a little more love and kindness from us all. During the summer holidays, you will be spending more time at home; we want you to think about what you can do to make our planet smile more.

What can we do to be kinder to our planet?

Save water

Walk more

Recycle

Turn off all electricity when not in use

Be kind to everyone you meet

We will be giving a lucky competition winner a chance to win a back to school prize to say **THANK YOU** for being kinder to our planet. To enter the competition, click the link below:

End of Term

The Summer Term ends on Wednesday 21st July. All students will be expected to attend college at the normal time of 8:45am, but there will be an early phased dismissal as follows:

Key Stage 3 – 12:00pm

Key Stage 4 – 12:10pm

Post 16 – 12:20pm

Coronavirus Restrictions

Following the government's announcement on Monday 12th July with regard to the new coronavirus rules and restrictions, we will be reviewing our policies and procedures in the forthcoming weeks. Any updates will be posted on the College's Coronavirus Advice and Guidance page via: (<https://www.rosedalecollege.uk/126/coronavirus-advice-and-guidance>). Further information will be available for when the students return to college in September.

Academic Tutoring

Both virtual and in-person Academic Review Days for Rosedale College will take place between 2:00 and 6:00pm and will be held for Key Stage 3 and Post 16 students on Wednesday 1st September, and for Key Stage 4 students on Thursday 2nd September. All students will be allocated an Academic Review appointment time and this information will be sent to their parents, guardians or carers in due course. Please contact your child's Form Tutor if you have any questions about Academic Review Day. Thank you.

Start of Term

Friday 3rd September will be an Induction Day for all students in Years 7, 10 and 12. The Autumn Term, for all other students, will commence at the normal time of 8:45am on Monday 6th September.
