

Summer School Soiree

During the week commencing Monday 9th August, 80 Year 7 students joined Rosedale College for a sensational Summer School. It was a jam-packed week; students showcased their literary and Information Technology (IT) talents by producing a masterful magazine. In Engineering, students worked with remote control cars and raced them around the outdoor track! There was a glorious smell wafting from the food rooms during the week where delicious cakes were baked. Marvellous mathematicians and serious scientists were able to showcase their skills during the workshops. Everyone had a brilliant day at Birdworld where we managed to get up close to the wildlife. The week was rounded off with a celebration barbecue, and a fete led and managed by the students themselves. The stalls included: ring toss, beat the goalie, basketball hoop, treasure map, tin-can alley, guess the number of sweets in the jar and many more.

Additionally, students in Years 9 and 11 also participated in Summer School to join us for exciting sessions in English, Mathematics and Science to ensure that they are fully prepared for the year ahead.

Student Photographs - Friday 17th September

A photographer from Fraser Portraits will attend the College on Friday 17th September to take student photographs. Please ensure that your child attends dressed smartly in full and correct college uniform.

Year 7 Open Evening - Tuesday 21st September

On Tuesday 21st September at 6:00pm, we will be hosting our annual Year 7 Open Evening to all our prospective Year 7 students, providing students and their parents, guardians and carers with the opportunity to discover first-hand what is on offer at Rosedale College.

At this moment in time, we are unable to provide precise details as to whether this will be a virtual or an in-person event. As such, final arrangements for this event will be published next week. In the meantime, please feel free to read our prospectus and follow our social media channels for an insight into life at Rosedale College. For further details on our Open Evening, please visit (<https://trhat.co.uk/events-openevening-rc/>).

'Free School Meals' (FSM) Entitlement

'Free School Meals' is a statutory means-tested benefit, which provides a child with meals at school or college for free. If you believe you may be entitled to this benefit for your child, please attend the College reception and request an application form. The member of staff on reception will be able to advise any parents, guardians or carers who are unfamiliar with the process for claiming 'Free School Meals'. Please note that parents, guardians and carers must reapply each year for this benefit.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 020 8573 2097 before 8:45am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this, is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college. Thank you.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at college, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the College and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Punctuality

We would like to remind parents, guardians and carers of the importance of all students having a positive start to their day by arriving to college on time. All students are expected to be in college for morning registration at 8:50am. If you receive a communication from the College that your child has been late on more than one occasion, please discuss this with them and support them so that they arrive to college on time. Students who are persistently late will be referred to the Educational Welfare Officer.

The Parkside Studio College Offer

Students, whether you are interested in developing your skills in core subjects or looking to enhance your learning through specialist, career-focused courses designed to support progression into the workplace or further study, at Parkside Studio College, you can become an expert in your chosen pathway. For an opportunity to develop your employability skills and take part in a fulfilling and rewarding experience, providing a sense of direction, join us at Parkside Studio College and create your future today! Please visit (<https://www.parksidestudiocollege.co.uk/>) to gain further insight into the Parkside Studio College offer.

Precautionary Measures for Coronavirus

Please note that although it is not mandatory, students are still encouraged to wear face masks, maintain social distancing and perform regular handwashing throughout the day. In addition to these precautionary measures, the College are also anticipating the provision of the new carbon dioxide monitors this September launched by the government. The programme will provide sufficient monitors to take readings from across indoor spaces within the College to allow staff to identify where ventilation needs to be improved and let fresh air in, therefore removing air that contains virus particles and reducing the transmission of COVID-19.

Please note, we have updated our Coronavirus - Advice and Guidance page with this information. To keep updated with the latest guidelines and the new implementations made around the College, please visit: (<https://www.rosedalecollege.uk/126/coronavirus-advice-and-guidance>).

Education Catch-Up

The government announced funding to support children and young people in England, in catching up on learning lost during the pandemic. With an ambitious education recovery plan, the various catch-up programmes and fun activities include catch-up sessions and support for Early Years, children and young people aged between 4 and 19, Special Educational Needs and Disability (SEND) support as well as mental health support.

To find out what is available in your area, please contact your child's college or local authority. To explore the website, please visit: (<https://educationcatchup.campaign.gov.uk>).
