

## Gas Attack

In the Science Alliance, we understand that conducting practical work is one of the fundamental tools that enables our students to consolidate content taught, promote discovery learning, gain scientific skills and engages them to follow Science further.

Having covered the content on testing gases as a part of the AQA GCSE specification, the Year 11 students demonstrated their scientific skills as they conducted tests for various gases (carbon dioxide, hydrogen and oxygen). Shown in the photographs below was the test for carbon dioxide. Calcium carbonate reacted with hydrochloric acid to produce calcium chloride, a gas and water. The gas was bubbled in colourless limewater which became cloudy indicating that the gas emitted was carbon dioxide. The Year 11 students loved experimenting with the 'gas attack' at Rosedale College.

## Testing For Carbohydrates

The Year 12 AS Biology students carried out their first PAG (Practical Activity Group) to test for reducing and non-reducing sugars. This practical activity was conducted to concretise content taught about Biological Molecule-testing for carbohydrates.

Students tested three unknown samples for both reducing and non-reducing sugars using the Benedict's reagent solution, hydrochloric acid and sodium hydrogen carbonate. Following this, students recorded their results and made their conclusions. This was a fun activity enjoyed by all.

## Year 7 Open Evening - Tuesday 21st September

This year, we are making provisions to welcome back families and their children currently in Year 6 onsite to the annual Open Evening for Rosedale College.

To ensure that parents, guardians, carers and prospective Year 7 students have the chance to sample the College's innovative curriculum, we will be hosting a variety of activities to give pupils and their families the opportunity to discover first-hand what is on offer at the College. Families will also be given the opportunity to enjoy a guided tour of the College, a promotional video, a speech delivered by the Principal, and gain an in-depth and valuable insight into the College's ethos, dynamic teaching and the variety of academic and vocational further education options on offer at Rosedale, as well as how these are delivered across Key Stages 3 and 4, and Post 16.

Please ensure you join us at Rosedale College on Tuesday 21st September from 6:00 to 9:00pm. It is crucial that only one adult per prospective student attends to limit the number of people on-site. We also encourage you to explore our website, read our prospectus, and follow our social media channels for an insight into life at Rosedale College. For further details on our Open Evening, please visit (<https://trhat.co.uk/events-openevening-rc/>).

## Early Staggered Finish - Tuesday 21st September

In order to facilitate the organisation of our Open Evening, on Tuesday 21st September, students in Years 7 and 8 will be dismissed at 12:45pm; Years 9, 10 and Post 16 will be dismissed at 12:30pm, and Year 11 will be dismissed at 12:15pm.

## Late Start - Wednesday 22nd September

On Wednesday 22nd September, the College day will begin slightly later than usual with Registration at 11:00am for all students in Key Stages 3 and 4. The first Post 16 lesson at Rosedale College will begin at 11:15am. Please note, Post 16 lessons will continue as usual at Hewens College on Monday 20th and Tuesday 21st September, therefore any Post 16 students who have lessons timetabled at Hewens College on these days should attend as normal.

## College Drop Off and Collection

Please can we remind parents, guardians and carers not to block the pavements outside or opposite the College as on occasions, our students and other pedestrians have had to walk on the road as a consequence, which is very dangerous. We appreciate that these are exceptional times in terms of managing access to the schools, however please can we request all parents, guardians and carers to be mindful of others when dropping and collecting children. Thank you.

## Extracurricular Activities

We are eager to encourage all of our students to develop new interests and actively participate in the extracurricular activities that we have to offer at Rosedale College. Please follow the subsequent link to view our current extracurricular activities timetable for all clubs currently on offer (<https://www.rosedalecollege.uk/96/extra-curricular-activities>).

If your child is interested in any clubs that are on offer, please ensure that they request a letter from the College Reception, and complete the reply slip accordingly. Unfortunately, some extracurricular activities are number restricted, so a prompt response is encouraged.
