

Celebrating Rosedale Culture

This term, all our Year 7 students in French have been learning about French speaking countries and their cultures to support their learning in languages. To recognise and celebrate the diversity within our community, students were set the task to showcase their own country and culture. Throughout this half term, students will be sharing their knowledge to their peers through presentations and offering Question and Answer sessions.

Year 11 Option Assemblies

Staff have spent the last week educating Year 11 students on the multitude of subjects and courses that are on offer at The Trust's Post 16. Staff have not only given students an insight into the course content, but also the job prospects affiliated with their option choices. Students have been fully informed on the entry requirements for each course to ensure they work towards achieving, if not exceeding expectations.

The College has been extremely proud of the maturity and the commitment with which our Year 11 students have asked questions having researched their potential choices. We are hopeful that their inquisitive nature will yield desirable outcomes for them.

We are looking forward to Wednesday 17th November when students will spend their day further exploring their decisions about higher education. In addition, we anticipate meeting most Year 11 students on Monday 22nd November for the Post 16 Open Evening.

Post 16 Open Evening - Monday 22nd November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening, held to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on Monday 22nd November at 6:00pm to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed!

In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at (<https://trhat.co.uk/explore-post16/>).

The Parents Guide - November 2021

The Parents' Guide is an external organisation providing up-to-date, practical guidance to inform and involve parental support. These online guides are designed to provide parents, guardians and carers with the information they need to support their children and help them make the right choices in order to create successful futures. Please visit (<https://www.theparentsguideto.co.uk/school-newsletter>) to download your free copy for November 2021.

Public Examinations - Summer 2022

We have updated our Public Examinations information on our college website, which gives information about the summer 2022 examinations for Year 11 and Year 13 students. There are also some useful links for students and parents, guardians and carers about revision tips, study skills and managing examination stress. Please visit (<https://www.rosedalecollege.uk/115/public-examinations>) for access to these resources. Year 11 have been learning about revision techniques and have been given a revision techniques booklet to help them plan their own revision timetable. You will also find an update on the scheduled collection date for your child's summer 2022 examination results. Details about collection procedures will be published via newsletter and the College website nearer the time.

 <h1>NOVEMBER 2021</h1>

Individual Student Photographs

All orders placed for the individual student photographs have been received by the College and have been distributed to the students this week to take home. Unfortunately, the deadline date for orders to receive free delivery back to the College has now passed. For those who still wish to place an order will need to do so directly to Fraser Portraits; this will now incur an additional surcharge of £4.00 per pack which will be sent directly to your home address. If you have any queries, please contact the College.

The Vaccination Programme and Testing

The Secretary of State for Education, Nadhim Zahawi, has written an open letter to parents, guardians and carers about the importance of students aged 12 to 15 getting their coronavirus vaccination and how this has been made easier. The letter provides information into the new option for students now being able to book their vaccinations locally at a centre using the NHS book a vaccination service, as well as the option to have it at college. To read this letter, please visit (<https://bit.ly/3nMCAio>).
