

Jack Petchey's Speak Out!

On Thursday 11th November, a chilly Thursday morning, a group of 28 students gathered, ready to march to the venue to participate in the invigorating Jack Petchey workshop, where students are trained to enhance their oracy skills. Some looked apprehensive wondering what the day had in store for them, while others had eager expressions, ready to embrace the challenges ahead. Timid and unsure of how to express themselves - though starting with a familiar subject such as their likes and dislikes - some voices were barely audible and some barely managed to maintain eye contact with their peers. As they began to learn the techniques and focus on content, delivery, structure and creating a positive impact, the voices started emerging from behind the shadows. Their confidence, courage and communication skills knew no boundaries. As they prepared to deliver their keynote speeches for the day, a collection of topics they are passionate about were addressed, including The Meaning of Christmas, Child and Domestic Abuse, Capital Punishment, Suffering and Motivation among other societal issues.

All too soon, however, the day ended and some natural public speakers were born. They were bold, confident and captivated the audience with a litany of techniques, engaging them by asking thought provoking questions and delivering succinct and powerful messages. It was a time well spent and some key life skills learnt by all. Five students were selected to prepare three-minute speeches for the Assembly Final and will receive further training and guidance to ensure that they maximise their potential. It was a day of good investment from which the students can withdraw skills and techniques to apply on their speaking coursework and in their social lives for many years.

Post 16 Open Evening - Monday 22nd November

The Rosedale Hewens Academy Trust is excited to announce its Post 16 Open Evening, held to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The evening will aim to guide parents, guardians, carers and prospective students through The Trust's Post 16 offer, where they will be taken on a journey through the four colleges within The Trust and guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, students and their families will be able to gauge the examination boards used, the modules covered in both Year 12 and 13, and will receive a comprehensive overview of what the course demands from its students.

The event promises to be informative and enlightening for all. From the career-focused courses offered at The Trust to our extensive enrichment opportunities, students and their families are invited to join us on **Monday 22nd November at 6:00pm** to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed!

In order to keep the crowds to a minimum, we would appreciate if we could limit the guests to one adult per prospective student. In the meantime, please feel free to explore our Post 16 provision at (<https://trhat.co.uk/explore-post16/>).
