

Rosedale College Students Showcase the Technology Department

Students have been showcasing their skills at the start of the new academic year in Technology, which will help inform parents, guardians and carers of the range of activities their child would potentially experience at Rosedale College.

Year 8 students are working on remote control vehicles, which form part of Engineering. Students will attempt to improve the performance of the vehicles and consider the importance of aerodynamics in the efficiency of vehicles.

Year 10 students are working hard in Food Technology, proudly demonstrating their amazing culinary skills in a mock café event. This is an event the students put on once or twice a year, which has proved exceptionally popular with both students and families, who are invited to join us at the event.

Technology & Information and Communications Technology (ICT) consider themselves privileged to be able to offer a range of exciting and innovative activities using some of the very best in the latest technology. The ICT Alliance has brand new, very high specification computers and the Technology Alliance has a brand new laser cutter with access to industry standard Computer Numerical Control (CNC) lathes and 3D printers. It is not surprising that students love their learning in Technology and ICT at Rosedale College.

College Day Timings

Please be aware that the College day timings have changed until further notice. Students will not be allowed on site until their allocated time slot. Please see below the new start and end time and entrance/exit gate for your child(ren);

Year 12 - Parkside Entrance	9:30am	4:00pm
Year 13 - Parkside Entrance	8:55am	4:00pm

ROSEDALE COLLEGE VIRTUAL OPEN EVENING

Thursday 8th October 2020

Going Live at 6:00pm

PAGE 2 - Rosedale College News

Virtual Open Evening for Prospective Year 7 Students - Thursday 8th October

This year, we regret to inform you that we are unable to welcome prospective families onsite to the Open Evening for Rosedale College due to COVID-19 restrictions. However, to ensure that prospective parents, guardians and carers have the chance to sample the College's values and ethos, this year, we will be hosting a Virtual Open Evening, streamed as a live event to all prospective Year 7 students, via the College website.

There will be a variety of interactive activities uploaded to give students and their parents, guardians and carers the opportunity to discover first-hand what is on offer at the College. Families will also be given the opportunity to enjoy a virtual tour of the College, a promotional video, a speech delivered by the Principal, and gain an in depth and valuable insight into the College's curriculum. As it is not currently possible to replicate the rounded experience that this occasion usually provides to visitors, the virtual experience promises to be just stimulating. Please ensure you join us virtually on Thursday 8th October at <https://trhat.co.uk/virtualopenevening-rc/>. We also encourage you to explore our website, read our prospectus, and follow our social media channels for an insight into life at Rosedale College. If you have children also in Year 6, or know those who do, please do encourage them to attend!

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 020 8573 2097 before 8:45am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.

A New Hospital in Hillingdon

The Hillingdon Hospitals NHS Foundation Trust has announced plans to build a new hospital in Hillingdon by 2025. The Trust would like to hear from members of the public who would like to know more about the redevelopment programme, to ensure that all ideas and aspirations are considered for any potential plans. Further information and a short survey can be found at <https://thh.nhs.uk/redevelopment/>.

Physical Education (PE), Sports Kit and Uniform

We have reviewed the current circumstances and valuable feedback from parents, guardians and carers regarding students changing for Physical Education (PE) lessons, and the perceived risks this may bring during this time. We can confirm that from Wednesday 30th September onwards, students are able to come to college in their kit only on the days they have their PE lessons, until further notice. Please note that this decision comes with the following expectations, which will be closely monitored:

- On the days that students have their PE lessons, they must attend in their full kit with their college blazer over the top of their polo shirt if not wearing the full college tracksuit. Their kit must be the complete Rosedale College kit, with no additions or substitutions.
- If students do not attend in their full PE kit, they will not be able to engage in the practical lesson, and will receive the appropriate sanctions in accordance with our policy.

If students repeatedly do not attend college in the correct clothing for the day, then parents, guardians and carers will be contacted to bring in the correct clothing.
