

World Maths Day

For 15 years, World Maths Day has united students across the globe in celebration of learning! On Wednesday 23rd March, students across the globe competed against each other in celebrating Mathematics.

Key Stage 3 students at Rosedale College took part in rejoicing numbers, and all Mathematics lessons were buzzing across Information Technology (IT) rooms on the day, with students so excited in the activities allowing them to compete against other students across the world! Jesse Ogunfuye of 7L was the top scorer at college with 547 points, taking 65th position in the country and 366th position in the world! Well done, Jesse! Jesse was closely followed by fellow Year 7 students - Sharanya Thanigasalanthan and Gunjun Bajaj. Well done to you all, what an amazing achievement!

We are extremely pleased to announce that 39 students in total achieved a bronze certificate for their amazing efforts on the day. Well done to all students who participated in the competition.

Basketball Success

At Rosedale College, we have utilised our outstanding sports facilities and clubs, and have prospered therein, as well as having had some tremendous successes in basketball towards the end of this term.

On Wednesday 16th and Wednesday 23rd March, we were lucky enough to host the Year 10 and 6th Form Borough Basketball Tournaments at home at Rosedale College.

The Year 10 team started the tournament very strongly winning against Hewens College, Guru Nanak, Douay Martyrs and Vyners with a 1-1 draw against Haydon, seeing us proceed into the semi-finals against Oakwood. The semi-final game started with Rosedale dominating, students creating a strong offensive triangle and maintaining their control with outstanding teamwork to win the game by 8 points - taking us into the finals!

The final game against Queensmead came as a true challenge for both teams who had a strong passion to win. Rosedale started the game with half-court press moving back to 2-3 zone defence where our players displayed unfamiliarity to perform in a full-court environment. The first half finished with Queensmead leading the game with one point, showing an advantage in penetrations against our defensive formation. Our players however performed under full-court pressure and focused on fast breaks and shoots, but physical and mental fatigue caused an interruption into the fluency of their performance in the last four minutes of the game to present the championship to our opponents. Well done Year 10, what an amazing tournament - we are so proud of you all.

The 6th form students performed for the first time in the borough's tournament, where the structure of the team also included our Year 10 and Year 11 boys. The team gained first-hand experience playing against very talented players from different basketball academies, resulting in two games won, one game drawn and five games defeated. An amazing outcome taking into consideration that some of these teams have the intention of entering the game in the professional world! Well done to you all - remarkable sportsmanship!

College Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits. Should there be an opportunity for the College to host an internal event or facilitate a VIP (very important person) visit following the Easter Holidays, it is essential that students continue to project a positive image of the College. **As such, all students are required to wear full college uniform in order to participate in special events.**

Easter Intervention Programme

In order to give students every opportunity for success, some students have been invited to attend college during the Easter holidays for booster classes. All students are now aware of the arrangements and letters have been sent home to parents, guardians and carers to confirm the timetable. However, if you have any questions or require any further information please do not hesitate to contact the College reception on **020 8573 2097**.

Academic Tutoring

Please note that Academic Tutoring appointments have been organised for students in Key Stage 3 and Post 16 on Tuesday 19th April and for Key Stage 4 on Wednesday 20th April, from 2:00 to 6:00pm. Separate communication to confirm the appointment times has been sent out to all parents, guardians and carers.

Happy Easter!

Happy Easter to all our parents, guardians, carers and students. We wish you a holiday celebration filled with peace, joy, and happiness. May the holidays bring you new hope and vitality, and for our students, may it be the reason for a 'spring in your step' upon your return to college.

There are many ways to have fun, learn new skills and make new friends this Easter at our FREE activity sessions aimed at young people who receive free school meals. Please visit (<https://www.rosedalecollege.uk/news-and-events/news-and-events/easter-activity-programme-2022>) for more information.

Start of Summer Term

College commences for the Summer Term at the normal time of 8:45am on Thursday 21st April. Lessons will begin promptly, so please ensure that your child arrives on time in order for them to avoid missing out on news, notices or learning. We look forward to seeing everyone back refreshed and ready for the term new term.

Recycle, Re-use - School Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved college uniform in order to reduce our carbon footprint. This is a great opportunity for our college to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's college to support our campaign for green initiatives whilst helping our families in need of support. Further details will be provided after the Easter Holidays.

Year 11 Prom - Payment Issue Resolved

For those who have attempted to make payments for this year's Year 11 Prom, unfortunately, there was a technical issue with our payment system and as a result, you may have not been able to proceed with your payment. We can confirm that this has now been resolved and payments will now be processed as normal. In light of this issue, we have extended the deadline date for which reply slips must be returned by to Monday 25th April. Please note, full payment must also be made by this date. For more information about the prom and for access to the permission slip, please visit (<https://www.rosedalecollege.uk/news-and-events/news-and-events/year-11-prom>). **The countdown continues... only three months to go!**
