

On Lives Our Library

The Rosedale College library is back in business with our newly appointed librarian. After our library being transferred into a coronavirus-testing site, we are extremely pleased to announce that the doors have been opened once again to our students.

Rosedale College students were excited to visit the library again and to take advantage of the many new and exciting book titles we have on our shelves. All the students at Rosedale College have the opportunity to take books home to read, and upon completion, they can return them and exchange them for a new book to begin!

At Rosedale College, we also offer one-to-one reading sessions, where our wonderful staff can bring students to the calm and quiet library to enable them to engage with less disruption than in classrooms.

Our librarian is also planning to run a library club during lunchtimes to enable students to spend more time in the library reading the books that they love. We would like to encourage our students to be involved in the decorating of posters for our library to give it a new lease of life. Please also watch this space for more exciting news from our library, to include some Origami and Quilling activities.

Public Examinations - Year 11 and Post 16 Students

It is of vital importance that each student presents at college fully prepared for each examination he/she is entered for at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment. For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination. Students must attend the examination(s) for which they have been entered for. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place. Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

The examination timetable for the week commencing Monday 20th June is as follows;

Year 11 GCSE Revision Timetable

Year 11 students are currently on study leave, and only permitted to attend college for their GCSE examinations or to attend the bespoke revision sessions. The revision sessions will start once the morning examinations have finished. If your child has an afternoon examination, they will be given sufficient time to have lunch before the start of their examinations. The timetable for the bespoke revision sessions remaining are as follows:

| Date | Time | Revision Subject |
|---------------------|--------------------|------------------|
| Monday 20th June | 10:45am to 12:45pm | History |
| Wednesday 22nd June | 9:00am to 11:00am | Physics |

Examinations - Supporting Your Child

As we approach the period of public examinations, it is vitally important for students to settle into regular and structured home revision to give them the best possible chance of examination success.

Below are some tips for parents, guardians and carers on how to help your child with home revision:

- Provide them with a comfortable, quiet and well-lit area to work in
- Keep siblings occupied at revision times
- Ensure they are properly hydrated and are eating well
- Ensure they have adequate sleep
- Help them to put a home revision schedule together
- Break revision times into small 15-to-20-minute periods
- Ensure they have the books and equipment they need to properly revise
- Encourage them to adopt revision techniques such as writing brief notes to act as prompts
- Keep positive, create a 'can do' attitude

Snapchat Competition - Year 11 Prom

Want your own customised Geofilter to be used by your 'Snapchatting' peers on the night of the Year 11 Prom? Enter our competition!

Calling all Year 11 Prom ticket holders... We're giving you the chance to take part in an internal competition. You will have the opportunity to design a customised snapchat Geofilter with the possibility of your entry being submitted to Snapchat for use on the evening of the Year 11 Prom!

Entry is open to Year 11 Prom 2022 ticket holders only and ticket holders are limited to one submission per person. Illustrations must be original, hand-drawn on white paper and submitted digitally (take a photograph or photocopy your design); a template can be accessed via (<https://bit.ly/3zifXKg>) should you wish to use this. To increase your chance of winning, bonus entries will incorporate this year's theme 'A Night on the Red Carpet'. Entries must be received by Miss Patel at **apatel@trhat.org** by the competition deadline of Friday 8th July. The winner will be announced before Friday 15th July. Good luck and we look forward to seeing all your wonderful illustrations!

Free Guided Cycle Rides

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).
