

Food Technology Cafe Event

On Wednesday 29th June, the Technology Alliance ran its annual café event for invited guests. The students were given the task of undertaking a range of roles in the café including the Café Manager, Floor Managers, Chefs, Waiters and refreshment staff. A lot of research went into the respective roles and also into the marketing and promotion of the event. This year, the theme was Hawaii and the venue was certainly well decorated to match the theme with lots of colourful decorations on display. All students dressed up for their roles and researched in advance how to perform their tasks professionally. Tickets were produced for distribution to invited guests which included students, teachers, parents, guardians and carers. This was the first time the event had to open up two rooms, as its popularity continues to grow. Over 60 guests attended the event. The event was very professionally run with the rooms' set-up like a professional café. Students read out their own poems and there was a relaxed ambience with music playing in the background that reflected the theme. All students were exemplary in their roles and managed the event extremely professionally.

The food was excellent, as was the service and welcome from the students themselves. It really was an excellent event and all the students excelled themselves in their effort and determination to put on a good show. Parents, guardians, carers, teachers and other students were treated to some wonderful food and service and were all very open in their praise of the students and their efforts. All guests were well entertained and thoroughly enjoyed the event which set new standards in demonstrating the importance and effectiveness of working together as a team. We would like to commend all the students involved for their magnificent efforts; you were all absolutely amazing and made both the College and your families proud. Well done all!

College Uniform

It has come to our attention that a small number of students are attending college without the correct college uniform and Physical Education (PE) kit. Please note, all students within our college community are expected to wear the full and correct college uniform whilst attending college and PE kit when taking part in PE lessons or a Sports-related event, unless otherwise stated. Parents, guardians and carers will still be able to purchase the College uniform throughout the summer holidays via iPayimpact. You will need to register your details in order to proceed; this will allow you to make your selection and pay for your order online. For any orders placed, you will receive an email when it is ready for collection.

Recycle, Re-Use - College Uniform

As we head towards the end of the Summer Term, we are aware that there will be many students who will grow out of their college uniform and thus there will be many items of uniform that will no longer be worn. As a college, we continue to embed environmental awareness within our college community and kindly request that any unwanted items of uniform in wearable condition are donated to the College to support our campaign for green initiatives whilst helping our families in need of support. This will not only extend the lifespan of our uniform but also strengthen our green credentials whilst enabling us to support a recycling culture.
