

13th September 2021

Dear Parent, Guardian, or Carer,

Re: Open Evening - Tuesday 21st September 2021 Early Dismissal and Late Start Arrangements

Rosedale College will be holding its annual Open Evening on Tuesday 21st September. This is an evening when the College has the opportunity to showcase its excellent work to students currently in Years 5 and 6 in local Primary Schools.

In order to facilitate the organisation of the evening, on the Tuesday 21st September students in Years 7 and 8 will be dismissed at 12:45pm; Years 9, 10 and Post 16 will be dismissed at 12:30pm, and Year 11 will be dismissed at 12:15pm.

On Wednesday 22nd September, the College day will begin slightly later than usual with Registration at 11:00am for all students in Key Stage's 3 and 4. The first Post 16 lesson at Rosedale College will begin at 11:15am. Please note Post 16 lessons will continue as usual at Hewens College on the 20th and 21st September therefore any Post 16 students who have lessons timetabled at Hewens College on these days should attend as normal.

Parents, guardians and carers of students who have been selected to assist during Open Evening will receive an additional letter to outline the arrangements. Students who are not assisting with Open Evening should not attend College during the evening.

We would like to take this opportunity to encourage all parents, guardians or carers with children in Years 5 or 6 in local Primary Schools to attend the Open Evening. This evening will be a great opportunity for you to learn about our innovative curriculum and our continuing commitment to creating a learning environment where every student can make good progress and achieve their full potential.

I will be addressing all visitors at 6:30pm and 7:30pm to share our vision; Rosedale College is a unique college, which offers a broad and balanced curriculum, which aspires to engaging and enthusing all its students.

Please do not hesitate to contact me if you need any further information.

Yours faithfully,

Hina Kapadia
Principal
