During the time of these end of year examinations all Key Stage 4R students must attend college at the normal time of 8:45am each day. Students need to go directly to their Form Room for morning registration and will then either attend normal lessons or a timetabled examination, whichever is applicable.

It is important for all students to bring the appropriate equipment i.e. pen, pencil and calculator to the examinations. It is important for students to note that no electronic device (e.g. phone, iPod, Smart Watch etc.) will be allowed into the examination venues. Such items must be left at home or handed in at the start of each examination. Please note that the college does not take responsibility for loss or damage to these items so I therefore strongly recommend that all mobile phones and electronic devise are left at home

If you require any further information or have any questions regarding the trial examinations, please do not hesitate to contact me on the number above.

Yours faithfully

Ms Belishia Visser
Vice Principal
