

What are the aims and intentions of this curriculum?

The aim of our Key Stage 3 Curriculum is to demonstrate consistent technical skills, maximise performance in competitive games, demonstrate sound the understanding of tactics and techniques to outwit an opponent, to lead games and tournaments and to develop their orienteering knowledge and understand the health-related components of fitness.

Term	Topics	Knowledge and key terms	Skills developed	Assessment
Autumn 1	<p>Girls: Netball and Football</p> <p>Boys: Rugby and Basketball</p>	<p>Through these sports be able to understand, use and recall terminology relating to netball, football, rugby and basketball.</p> <p><i>E.g. principles of attack and defence, keeping possession and making progression, dispossessing an opponent, covering, intercepting, marking, tackling, width and depth in attack.</i></p> <p>Single and double leads, channels, spilt land, rebounds, holding, marking, intercepting</p> <p>Bullet pass, lob, toss ups, top D, collecting and analysing data.</p> <p>Technical language – breaking, off side, transverse lines</p>	<p>Pupils will focus on developing team attacking and defending strategies and techniques. Pupils will select and apply their skills so that they can carry out tactics with the intention of outwitting their opponents. In invasion games the main intention is to invade your opponents' territory and to outwit them so that you can score goals or points.</p> <p>Netball: In this unit pupils will focus on how to apply more advanced skills, techniques and ideas in netball showing more consistency and control of the ball when in attacking and defending play. They will learn to apply the principles of attack and defence more readily within the game and adapt them appropriately as the situation changes. Pupils will learn to evaluate performances and understand the how skills, tactics and composition relate to fitness and the quality of the performance. They will develop their understanding of positional play as well as improve their knowledge of the rules of the game both as a player and umpire.</p>	<p>Formative: Q and a Skills in Isolation & Competition. Peer & Self-Assessment</p> <p>Summative: NC Levels</p>

<p>Autumn 2</p>	<p>Girls: Handball and Rugby</p> <p>Boys: Football and Gymnastics</p>	<p>Through these sports be able to understand, use and recall terminology relating to handball, football and rugby. <i>E.g. Attack, Defence, pressing, formation, finding and using space, changing speed, being direct, marking, covering, delaying, moving feet, watching the ball & following through. E.g. Attack, Defence, pressing, formation, finding and using space, changing speed, dribbling, delaying, anticipation and intercepting.</i></p> <p>Gymnastics - TBC</p>	<p>Pupils will focus on developing team attacking and defending strategies and techniques. Pupils will select and apply their skills so that they can carry out tactics with the intention of outwitting their opponents. In invasion games the main intention is to invade your opponents' territory and to outwit them so that you can score goals or points.</p> <p>Gymnastics – TBC</p>	<p>Formative: Q and a Skills in Isolation & Competition. Peer & Self-Assessment</p> <p>Summative: NC Levels</p>
<p>Spring 1</p>	<p>Girls: Badminton and Gymnastics</p> <p>Boys: Hockey and HRF</p>	<p>Through these sports be able to understand, use and recall terminology relating to: Gymnastics – as above</p> <p>Badminton – <i>Body positioning, Service angle, flight of shuttle, angles, forehand, backhand, smash, overhead, drop shot, finishing the rally, tactics, game plan, success criteria, officiating/umpiring, captaincy, adjustments/variations, anticipation & fitness</i></p> <p>Hockey – <i>principles of attack and defense, finding and using space, changing speed, being direct, marking, covering, delaying, moving feet, watching the ball, following through</i></p> <p>HRF - <i>Cardiovascular Endurance, Muscular Strength, Muscular endurance, Flexibility, Body Composition, oxygen debt.</i></p>	<p>Gymnastics – as above</p> <p>Badminton –Pupils will aim to demonstrate consistent technique throughout. Pupils will focus on accurate replication of skills and refining game strategies with the intention of outwitting their opponents. In net games, it is the player's aim to get the ball to land in the target area so that the opponent cannot return it. Pupils will develop confidence in scoring and officiating badminton games. To understand the basic skills of movement, forehand and backhand shots and the tactics and scoring for singles. Students will incorporate these skills into modified games</p> <p>Hockey – Pupils will focus on developing team attacking and defending strategies and techniques. Pupils will select and apply their skills so that they can carry out tactics with intent to outwit the opposition. In all games' activities, pupils think about how to use skills, strategies and tactics to outwit the opposition.</p> <p>HRF - In this unit pupils will learn and accurately replicate specific techniques for a variety of activities based on health-related components of fitness. They will carry out tests which investigate the bodies' ability to exercise and identify personal strengths and weaknesses. Pupils will gain an understanding of their</p>	<p>Formative: Q and a Skills in Isolation & Competition. Peer & Self-Assessment Fitness Testing</p> <p>Summative: NC Levels</p>

			individual needs and how they can improve their fitness to enhance their performance and adopt a health, active lifestyle.	
Spring 2	<p>Girls: HRF and Hockey</p> <p>Boys: Handball and Badminton</p>	All as per previous instruction	All as per previous instruction	
Summer 1	<p>Girls: Athletics and Rounders</p> <p>Boys: Cricket and Athletics</p>	<p>Through these sports be able to understand, use and recall terminology relating to:</p> <p>Athletics: running, throwing and jumping, <i>eg: static stretch/passive stretch, controversial stretches, Achilles tendon, hamstring, abductors, quadriceps, pectorals, biceps, triceps, abdomen, aerobic, anaerobic, interval training, fartlek training, endurance, power.</i></p> <p>Rounders and cricket: <i>Eg: flat catches, long barrier, body position, follow-through, mechanics of movement, line and length, attacking and defensive strokes, batting order, batting drive, bowling techniques, field placements, coaching, officiating/umpiring, anticipation</i></p>	<p>Athletics - In this unit, pupils begin to use their knowledge of athletics events, strategies and techniques to develop and enhance replication and performance. Pupils develop their understanding of fitness and its relationship to performance. In athletic activities, pupils will engage in performing and improving their skills and personal and collective bests in relation to speed, height, distance and accuracy.</p> <p>Rounders and cricket - In this unit pupils focus on accurate replication & further developing, implementing and refining techniques for batting, bowling and fielding. Pupils will further work on the skill of outwitting opponents and finding space. In striking and fielding games, players achieve this by striking the ball so that fielders are deceived or avoided, and then running between wickets or around bases to score runs. Pupil should begin to accurately umpire games. Pupils will begin to identify their strengths and weaknesses.</p>	<p>Formative: Q and a Skills in Isolation & Competition. Peer & Self-Assessment Fitness Testing Summative: NC Levels</p>
Summer 2	<p>Girls: Cricket and Teambuilding</p> <p>Boys: Rounders and Teambuilding</p>	<p>Cricket and rounders as per previous instruction.</p> <p>Team Building: <i>Trust Games, Problem Solving, Table Top Maps, Map Symbol Game, Orientating a Map to Ground – Points of a Compass, Thumbing a Map, Cardinal Cones, Netball Numbers, Star Orienteering, Odds & Evens Relay, Score Orienting,</i></p>	<p>Teambuilding: Within year eight teambuilding pupils spend their time developing their orienteering skills, focusing on the abilities to read maps and navigate round courses. They will be taught techniques to help them use a map successfully and quickly, as well as recognise and understand what it is representing and</p>	<p>Formative: Q and a Skills in Isolation & Competition.
