

Maths is Fun

Here at Rosedale, students get the opportunity to understand Mathematics conceptually rather than rote learning. With the use of two computer suites available on the Mathematics corridor and using software such as Geogebra, Desmos and Autograph, students are able to draw graphs using them and have a better understanding of certain topics in Mathematics. Students appreciate and enjoy learning Mathematics as they get to see for themselves, what their solutions mean when solving certain problems.

Students appreciate and enjoy learning Mathematics as they get to see for themselves, what their solutions mean when solving certain problems. Also at Rosedale we run a Maths homework club every Wednesday.

Black History Month - 1st - 31st October

Diwali - 24th October 2022

We would like to wish all our staff and students a very happy Diwali. Taking place on Monday 24 October, Diwali is celebrated by Hindus, Sikhs, Jains and Buddhists.

Also known as Deepavali, which means 'rows of lighted lamps', or the 'Festival of Lights' the festival symbolises the triumph of light over darkness, knowledge over ignorance, good over evil, and hope over despair. Diwali is traditionally celebrated with religious ceremonies, decoration of homes and temples with bunting and small oil lamps called diyas, time with family and friends, feasting on delicious food including samosas and traditional sweets called mithai, firework displays, dressing up in fancy clothes and exchanging gifts.

Half Term - 24th - 28th October

Please note that from 24th October to 28th October, the College will be closed for the half term holiday. If your child has been invited to attend any booster lessons during this week, the details will be communicated to you in a separate letter. College finishes for all students at the normal time on 21st October and commences again at 8:45am on 31st October 2022.

Online Safety and Social Media Workshop

7th November 5pm to 6:15pm

Rosedale College is excited to host a workshop on online safety and social media use, for parents, guardians carers and students of both Rosedale College and Parkside Studio College. The workshop will explore practical strategies to help you keep child safe online and raise your awareness about the pressures and difficulties young people face in the social media world. The recent death of teenager Molly Russell, which you may have seen in the news, highlights the importance of talking about social media and the affect social media content can have on young people.

Please do join us at Rosedale College on 7th November at 5.00 pm until 6.15pm. If you are interested please book your place by contacting Rosedale College on 0208 5732097 or by emailing GRanger@trhat.org
