

## Royal Observatory Trip- Solar System, Galaxy and Universe Tour

Year 11 finally had the opportunity to travel to the National Observatory in Greenwich last week, which was initially arranged as part of National Science Week 2019! The Observatory is renowned for its Science learning experiences, as well as its unparalleled collection of artefacts.

Our students were treated to a fascinating journey into space, led by astronomers and leading scientists. The Planetarium show was followed by a self-guided tour of the Museum, with over 70 mind-blowing exhibits to enjoy.

Even our teachers got in on the act, as they got to stand on the historic Prime Meridian line. This visit highlighted the 'Space Physics' unit our Year 11 will complete for their Unit 2 Physics GCSE.

## New Websites Launching Soon

We are excited to announce the launch of our new, fully-featured websites which are due to go live over the Christmas break!

Complete with education-specific functionality, our new websites will improve accessibility to our content and will feature a consistent and intuitive design to make navigation simple. Some key features include: Responsive Design to ensure desktop/ mobile optimisation, making it easier to use on all browsers and portable devices, User Friendly Buttons to enable you to navigate the site seamlessly, Emergency Pop Ups to alert you to crucial information which require urgent attention, Powerful Communication Software to improve communication, and much more. Our streamlined website will provide a more interactive experience, enabling you to locate information quicker and easier and will keep you informed of the latest news.

Keep an eye out on our social channels to be the first to hear when our new websites have launched!

## End of Term Finishing Times

On Friday 16th December 2022 we will operate our usual end of term dismissal arrangements; students will be expected to arrive at College at the normal time but will be dismissed in year groups, at the following, approximate times:

Year 7 12:00pm  
Year 8 12:00pm  
Year 9 12:10pm  
Year 10 12:10pm  
Post 16 12:10pm

Should any of the above arrangements be a concern for you, please do not hesitate to contact your child's Form Tutor via the College Reception.

## Group A Streptococcus Information

We have been asked to pass on the following information regarding Group A streptococcus (Strep A). In most cases the common infections caused by Group A streptococcus are mild. They include sore throat, often referred to as strep throat, mild fever, and minor skin infections.

In very rare cases, this infection can be more serious and cause invasive disease. While the risk is low, it is important to be aware of the signs and symptoms. These are: Very high fever, Severe muscle aches, Localised muscle pain and unexplained diarrhoea or vomiting.

The UKHSA has advised that there were no reasons for any changes to the school routine and no reason for children to be kept at home if they are well.

BBC has a very good page with information that parents may find useful.
