

Trial Examinations

The progress and attainment of our students at Rosedale College is of paramount importance. As such, we use a range of assessment methods to ensure that our students are on track to enable them to work towards, or to exceed their target grades.

Trial examinations commenced for Year 11 and Post 16 students from the week beginning Monday 22nd March. They were practised under examination conditions, as this is a great opportunity for students to both decipher and practise different examination techniques to find out what works best for them. Our Trial examinations are used to measure how well the students have grasped the concepts they have been taught and are used by teachers to reflect on their pedagogical skills, as well as their methodology to impart knowledge to students in lessons. More importantly, they are used to allow the students to reflect on their own strengths and weaknesses.

Trial examinations lead into our Easter break, as students who require additional intervention are invited to attend our bespoke Easter intervention programme. Rosedale College students are keen to attend this intervention as they are keen to excel academically, and thus have set high standards for their own attainment.

CORONAVIRUS TESTING

Lateral Flow Testing has formerly been carried out in college. Please note, it is now the responsibility of the students to perform the coronavirus tests twice weekly using the self-test kits distributed at college. Students should continue to undergo coronavirus testing throughout the Easter holiday period using the additional test kits distributed before the end of term. After receiving your result, please register this via the government website as well as through the College.

Further details can be found on the College website under the Letters tab.

Education in the Media

The Department for Education (DfE) have requested that we share a letter from Gavin Williamson MP, Secretary of State for Education with our students. Please click on the following link to view this letter: (<https://dfemedia.blog.gov.uk/2021/03/26/a-letter-to-young-people-from-gavin-williamson-mp-secretary-of-state-for-education/>).

Easter Intervention Programme

In order to give students every opportunity for success, some students have been invited to attend college during the Easter holidays for booster classes. All students are now aware of the arrangements and letters are being sent home to parents, guardians and carers to confirm the timetable. However, if you have any questions or require any further information, please do not hesitate to contact the College reception on 020 8573 2097.

Academic Tutoring

Please note that Virtual Academic Tutoring appointments have been organised for students in Key Stage 3 and Post 16 on Monday 19th April and for Key Stage 4 on Tuesday 20th April, from 1:30 to 6:00pm. Separate communication to confirm the appointment times has been sent out to all parents, guardians and carers.

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%. The only circumstances in which absence from college will be authorized are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been received from the Principal.

College Uniform

The college uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. It is designed to instil a sense of pride, identity and belonging. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

 MARCH TO JULY 2021	
MARCH	
Wednesday 31st	Term Ends
APRIL	
Monday 19th	Academic Review (Key Stage 3 and Post 16)

Reporting Positive Cases of Coronavirus

It is vital that all parents, guardians and carers continue to inform the College if their child has tested positive for Coronavirus. In the event of a positive case, please contact us on 020 8573 2097 or email us at Rosedalecollege@trhat.org. This will allow us to monitor and manage potential cases and reduce the risk of transmission. Thank you for your cooperation in this matter.

Coronavirus Testing

Please note, a letter with further details about the distributed coronavirus home test kits can be found on the College website or via the following link: (<https://trhat.co.uk/letter-covidtestresults-rc/>). Please be reminded that all results must be registered via the government website as well as through the College using this link: (<https://trhat.co.uk/covidtestresults-rc/>).

Start of Summer Term

College commences for the summer term at the normal time on Wednesday 21st April. Lessons will begin promptly, so please ensure that your child arrives on time in order for them to avoid missing out on news, notices or learning. We look forward to seeing everyone back refreshed and ready for the new term.
