

La Collaboration

Our Year 8 students have been working hard in French to ensure that they are extending and developing their language skills in readiness for the GCSE assessment cycle. But why do it on your own when you can enlist all your peers to help? This collaboration ensures that everyone has an opportunity to participate and actively engage in their language learning journey and explore different linguistic techniques together. The students are given the success criteria of the task and need to work collaboratively, to ensure an accurate and extended piece of writing is completed. Our students thoroughly enjoy this genre of task showcasing not only their excellent language skills and their ambition to further expand their vocabulary, but also demonstrating valuable life skills such as teamwork, organisation and listening skills.

Anti-bullying Week

Every year at Rosedale College, Year 7 students in Information Technology (IT) undertake a unit of work on Anti-bullying and Internet Safety. This year, between Monday 16th and Friday 20th November, Rosedale College is supporting the national Anti-bullying Week 2020: United against Bullying. This year, more than ever, we've witnessed the positive power that society can have when we come together to tackle a common challenge. Anti-Bullying Week is no different. Bullying has a long lasting effect on those who experience and witness it, and by channelling our collective power, through shared efforts and shared ambitions, we can reduce bullying together. From parents, guardians and carers, to teachers and politicians, to children and young people, we all have a part to play in coming together to make a difference. The Year 7 Students have been involved in lessons focusing on the damage bullying, whether physically or online, can do to other people.

All students have produced their own anti-bullying posters which will go on display in college alongside student pledges to support anti-bullying. Our aim is to ensure all students at Rosedale College understand that we're all a piece in the puzzle, and together, we're united against bullying.

Student Photographs - Wednesday 11th November

A photographer from Fraser Portraits will attend the College on Wednesday 11th November to take student photographs. Please ensure that your child attends dressed smartly in full college uniform.

Virtual Post 16 Open Evening

This year, The Rosedale Hewens Academy Trust is excited to announce its first virtual Post 16 Open Evening, held to support all local young people in choosing the best possible pathway for success, as they work towards graduating from their secondary education. The Post 16 Open Evening will take place virtually on Tuesday 24th November 2020 at 6:30pm, via the Trust website. The evening will aim to guide parents, guardians, carers and prospective students through the Trust's Post 16 offer. Viewers will be taken on a journey through the four secondary Colleges within the Trust and will be guided through the different curriculum areas, demonstrating what Post 16 teaching and learning looks like, as it is a step up from GCSE. From the wide variety of subject areas on offer, viewers will be able to gauge the examination boards used, the modules covered in both Year 12 and 13 and they will receive a comprehensive overview of what the course demands from its students.

The virtual event promises to be informative and enlightening for all and the Trust is looking forward to premiering the event on the aforementioned evening. From the career-focused courses offered at the Trust to our extensive enrichment opportunities, students and their families are invited to join us virtually to find out just what makes Post 16 at The Rosedale Hewens Academy Trust an offer that cannot be missed by those in the local community.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at school, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the School and to ensure that you provide up-to-date details of at least two other emergency contacts for your child. Thank you.

Hand Hygiene

Good hand hygiene is an important control measure as physical contact is a common mode of transmission for respiratory infections. Good hand hygiene is one of the most effective ways to prevent transmission of infections, thus, students are encouraged to maintain good hand washing practices by washing their hands regularly and thoroughly throughout the day.

Face Masks

We have reviewed the current circumstances regarding face masks in line with the recent government guidelines. Previous communications have stated that your child may wear a face mask if they wish and must wear it on public transport. In light of the latest guidelines, we will be proceeding with the approach informed by the government guidance and the World Health Organisation (WHO) advice. Further information can be found via the College website at http://upload.reactcdn.co.uk/rosedale_college/uploads/document/2_353_rc-face-mask-letter-051120.pdf
