

Celebrating Victory at the End of 2020

As we started last term, all aspects in Physical Education (PE) seemed like a hurdle with a maze of challenges to navigate through for both staff and students alike. Yet, here we are at the beginning of 2021, having made prominent progress, established concrete values and with several commendable successes under our belts! We are proud to announce that at the end of term, Rosedale College had nearly every student arriving to lesson in perfect PE kit, and over eight hundred students participated in cross country, running over 2,000km, which is like running from Rosedale College to Marrakech! We have received a multitude of entries for the sports council; some excellent Post 16 BTEC work was submitted and Key Stage 3 students experienced phenomenal success in the sports hall athletics, with Year 7 girls and Year 8 boys coming in second place, and Year 7 boys and Year 8 girls finishing in third place across the borough. Well done to all students, we are extremely proud of you!

In these unprecedented times, looking forward and finding the positives and motivations that allow you to be the best you can will let you overcome any challenges you may face in 2021! In the words of Picabo Street (Skiing); "To uncover your true potential, first find your own limits, then have the courage to blow past them."

Rosedale College is still Open

Due to the recent announcement of a national lockdown from the government, primary and secondary schools have been requested to shut, offering remote learning to the majority of students, until mid February. In light of this announcement, Rosedale College will be open for vulnerable children, including those with an Education, Health and Care Plan (ECHP), and those with critical worker parents, guardians and carers from Wednesday 6th January 2021 until further notice; the rest of the students will be receiving remote education (using Microsoft Teams).

Week Commencing: Monday 11th January

Remote Learning During Lockdown

Thank you to all parents, guardians and carers for their support with remote learning. You can find the College's Remote Education Offer on our website (http://upload.reactcdn.co.uk/rosedale_college/uploads/document/2_385_rc-secondary-remote-education-offer.pdf). Our aim is to ensure that students maintain their learning routines through following their usual timetable. We fully appreciate that each home set up is different and encourage you to contact us if you are experiencing any difficulties with your child not being able to access their remote learning, so that we can support with alternative arrangements.

Academic Review Meetings

Thank you to all parents, guardians and carers who participated in their child's consultation meetings on Monday 4th and Tuesday 5th January. If you did not attend your meeting, please can you ensure you make contact with your child's form tutor to re-arrange. If your contact details have changed and you have not updated these with the College, please contact reception as soon as possible. During the national lockdown, it is even more vital that we have accurate contact numbers and email addresses.

January to February 2021

FEBRUARY	
Monday 15th to Friday 19th	Half Term
