

A Night A The Musicals

Rosedale College hosted the return of the annual Evening of Dance, which this year was dedicated to the glory of musicals. Despite a 3-year hiatus due to Covid 19, the show returned bigger and better than ever. The hall was transformed into a West End theatre whilst the audience were treated to delicious homemade delights from Miss Montague and the Cafe Elite students. Btec Performing Arts students from both colleges have spent the entire Spring term learning the choreography created by their teachers, to songs from musicals such as Footloose, Fame and Flashdance. This dance platform gave the students from across the Trust an opportunity to perform to a full house. The students nervously waited in the wings as the auditorium filled up and the lights dimmed; however, their worries proved unfounded as they never missed a beat and the audience support was deafening. One proud parent said that he wished he could go back to school and perform in such a superb show!

Uniform

The College uniform plays a valuable role in supporting positive behaviour for learning and contributes to the ethos of the College. It is designed to instil a sense of pride, identity and belonging. All students are required to wear full college uniform when attending college for normal lessons, representing their college, or when participating in a college event outside normal college hours and on educational trips and visits.

<https://www.rosedalecollege.uk/uniform-requirements>

Appropriate Footwear

Students wearing appropriate footwear in college is essential, not only to comply with our published expectations in terms of uniform, but also to avoid inappropriate footwear such as trainers, boots and open toe sandals in college. Obviously, if the weather is inclement, it is sensible for students to wear boots to and from college. However, they must change into black shoes on arrival. The Rosedale Hewens Academy Trust cannot accept any liability in circumstances where issues emerge due to inappropriate footwear. Your support in this matter is appreciated.

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours.

The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%. The only circumstances in which absence from college will be authorized are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been received from the Principal.

Mobile Phones

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day.

It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times.

Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.
