

Premier League Fun!

At Rosedale College, we firmly adhere to 'children learn through play'. With this in mind, some of our Key Stage 3 (KS3) students were exposed to the first ever 'Premier League' in their classrooms, where students were grouped into 4 football teams (Liverpool, Arsenal, Manchester United and Chelsea), in order to extract the best out of them! The students were given points for achieving various tasks throughout the term; for example, points were awarded for attending college, showing up in perfect college uniform, showing resilience, good participation during lessons, being respectful to staff and each other, and for working towards targets.

Our top 2 teams (Arsenal and Manchester United), who both earned 50 points each had the chance to compete in a football match against each other after college last week to see who would walk away with the title! It was an amazing nail-biting and attention-grabbing match, that resulted in Manchester United beating Arsenal by 1 goal. We are really proud of all these students for their hard work during the term, and in particular, of all the students in our winning team! Keep up the good work!

Rosedale Cricket Victory!

We are pleased to announce that our Year 9 and 10 cricket teams played against Hewens on Tuesday 25th May and both teams won their matches.

In the Year 9 match, Rosedale batted first and scored 66 runs off their 15 overs. Zian Ahmed top scored with 15 before Hewens were bowled out for 53 runs in 11 overs, to win by 13 runs.

In the Year 10 match, Hewens batted first and were bowled out for 82 runs off 14 overs. Rosedale then chased down the score in 13 overs to win by 3 wickets, with Abdullah Muhammad top scoring with 45 not out. While the score suggests a close game for Year 10, it was an opportunity for us to change our batting order as well as to give some boys who have been to training a chance to play.

Both games were excellent and extremely competitive. Well done to all students who participated.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 020 8573 2097 before 8:45am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this, is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college. Thank you.

Attendance

We would like to remind parents, guardians and carers that research shows there is a clear link between the attendance rate of students and their level of attainment. Please support your child to attend regularly by ensuring that any medical or other appointments are organised out of college hours. The expectation of the governing body is that all students will achieve a minimum annual attendance rate of 96%. The only circumstances in which absence from college will be authorised are when your child is too ill to attend or permission for leave of absence, due to exceptional circumstances, has been received from the Principal.

Available Support Services - Kooth

Kooth is an anonymous, safe, confidential and non-stigmatised way for young people aged between 11 and 25 to receive counselling, advice and support online. During this difficult time, it is a necessity to provide young people with as much mental health and wellbeing support as possible, thus Kooth works alongside various mental health and local services to provide a fully integrated service to best support young people free of charge. Please visit [\[https://www.rosedalecollege.uk/99/announcements/announcement/233/announcement/?from=home\]](https://www.rosedalecollege.uk/99/announcements/announcement/233/announcement/?from=home) for further information.

Water Bottles

Research has shown how being well hydrated can enhance a student's performance in the classroom and improve their general wellbeing. During periods of warm weather, it is particularly important to ensure that students stay well hydrated when taking part in physical activities in lessons such as Performing Arts and Physical Education as well as during break time activities. Whilst students have access to water during the day, we would advise that all students bring a bottle of water to college that can be refilled throughout the day.

	
JULY 2021	
JULY	
Monday 5th to Friday 16th	Alliance Challenge
Monday 5th to Friday 16th	Individual Sports Days for all year groups
Tuesday 6th	Transition Day
Wednesday 21st	Term Ends

		Week Commencing: <i>Monday 14th June</i>

Extra-Curricular Activities

We are eager to encourage all of our students to develop new interests and actively participate in the extra-curricular activities that we have to offer at Rosedale College.

Please follow the subsequent link to view our current extra-curricular activities timetable for all clubs currently on offer: [\[https://www.rosedalecollege.uk/96/extra-curricular-activities\]](https://www.rosedalecollege.uk/96/extra-curricular-activities). If your child is interested in any clubs that are on offer, please ensure that they request a letter from reception, and complete the reply slip accordingly. Unfortunately, some extra-curricular activities are number restricted, so a prompt response is encouraged.
