

What are the aims and intentions of this curriculum?

The Year 9 Performing Arts curriculum has been designed to introduce students to the BTEC curriculum and the expectations of studying a level 2 option. The aim is to give young people the knowledge and skills to complete their studies to an optimal standard. Knowledge of the Performing Arts Industry is a key component of the curriculum. Students will study influential practitioners and their use of techniques, acquiring the knowledge and skills to further develop their own creative work.
