

Open Evening

On Tuesday 21st September, Rosedale College opened their doors to prospective Year 7 parents, guardians and carers. The evening was abundant with excited adults eager to participate in all the kinaesthetic activities staff had prepared. Technology shared baked goods; Physical Education (PE) promoted healthy lifestyle whilst Science dissected a rat, to name just a few! Adults had the opportunity to speak to staff, look at students' exercise books and discuss curriculum outlines, all whilst being reassured that our student progress is noteworthy. Both speeches made by the Principal were well attended and received, and inquisitive families were able to have their questions addressed. All staff worked diligently to ensure this evening was a huge success!

Year 10 Booster - Thursday 30th September

On Thursday 30th September, the NHS Immunisation Team will carry out the booster vaccinations on our students in Year 10. This booster will only take place for students who have returned their approved consent forms. If you have any questions about this, please do not hesitate to contact the College reception.

Absence Reporting

In the event of your child being unable to attend college, please contact the main reception on 020 8573 2097 before 8:00am. In order for the College to ensure that all students are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The College is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to college.

Medical Appointments

Whenever possible, medical appointments for students should be made outside of college hours. However, when it is not possible to get an appointment outside of college hours, please inform your child's form tutor in writing and in advance of the appointment. It is important to include in your written note to the form tutor if you are collecting your child or if they have your permission to leave college unaccompanied. Please also inform the form tutor if your child will return to college following the appointment.

Asthma Advisory Notice

The Hillingdon Hospital Paediatric Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler twice daily, as we head towards the middle of October. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.

Roll Out of the Coronavirus Vaccination in Schools

The government has announced the roll out of the coronavirus (COVID-19) vaccination to children and young people aged 12 to 15 years old. Following government guidelines, the vaccination programme will be facilitated in the forthcoming weeks at Rosedale College with NHS staff attending to administer the vaccination to each student who has returned their signed consent form. For more information, please read the following letter that was distributed this week: (<https://bit.ly/2XJ6QBG>).

 <h1>SEPTEMBER TO OCTOBER 2021</h1>

Mobile Telephones

Whilst the College accepts that some parents, guardians and carers wish their child to carry a mobile telephone for reasons of personal safety as they travel to and from college, they must remain switched off and kept out of sight during the College day. It is the policy of the College for all Key Stage 3 students to hand their mobile telephones to their form tutors at the beginning of each day. The telephones are then securely stored until the end of the day when they are returned to the students. Please note that the College will not accept liability for the safe keeping of a mobile phone; it will remain the responsibility of the student at all times. Use of a mobile phone during college hours will lead to sanctions being imposed, up to and including confiscation.
