

Belgium Trip

On Friday 10th November, the day before Armistice Day, 14 very excited Year 8 students were gathered at the College at 5:30am for the start of an unforgettable trip to Belgium. The road to Folkestone was clear, so we were able to go on an earlier crossing, which meant more time in Belgium.

The first stop was the Passchendaele Museum, where students had a look at some of the actual weapons and uniforms used over one hundred years ago, along with photographs, posters and medals from World War 1.

The next stop was the pretty town of Ypres for lunch. We visited a Belgian chocolate shop and the students even found room to fit in a visit to the waffle shop for a Belgian chocolate waffle.

As the rain began to fall, we headed back to the minibus and off to Calais to the Cité Europe shopping centre where students were able to practise their French in the many shops and cafés. The final leg of the journey back to the school was wet but spirits were not dampened. It was an enormously successful trip and every student gained a great deal from it.

Ofsted Inspection

Rosedale College underwent an Ofsted Inspection on the 11th and 12th of July 2023. We are pleased to announce that the College was judged 'Good' in all categories. The inspectors commented on the fact that leaders have high expectations of what pupils can achieve and that pupils work hard to meet these expectations. They also commented on the fact that staff at the College are committed to helping students reach their potential.

We want to thank all parents, gaurdians and carers for the support we received. As a College we will continue to strive to give all pupils as many opportunities as possible so that they can develop into well rounded young adults, ready to enter the world of work.

College Drop Off and Collection

Please can we remind parents, guardians and carers not to block the pavements outside or opposite the College as on occasions, our students and other pedestrians have had to walk on the road as a consequence, which is very dangerous. We appreciate that these are exceptional times in terms of managing access to the schools, however please can we request all parents, guardians and carers to be mindful of others when dropping and collecting children. Thank you.

Volunteer Needed

We are looking for a volunteer to help in the food tech department on a Tuesday and Thursday from 9am till 1:30pm, you will need to have a CRB, we require help with food preparation, laying out the work stations before the lesson and helping with laundry.
