

UK University and Apprenticeship Fair

On Friday 24th September, 89 Post 16 students ventured from Rosedale College to Tottenham Hotspur Stadium where the UK University and Apprenticeship Search Fair was hosted.

When students arrived, they were given free rein to explore several stands with representatives from universities based all around the UK. These universities included the likes of Southampton, Nottingham, Royal Holloway, Birmingham and Bristol. This wide range granted the students the opportunity to personally enquire about the universities that were of particular interest to them. The representatives from each stand managed to provide general information and address specific student concerns from open days to campus life such as accommodation. Additionally, the students were given a structure for the speeches organised for them which included: Choosing a University Course, Russell Group University Seminar and UCAS Personal Statement and Application Advice. The day was full of information for our Post 16 cohort, all who flourished in excitement at the possibilities that lay in front of them.

Successful in Sport

Rosedale College celebrated an excellent week of sports last week, having their first round of fixtures in 18 months.

Year 7 students played football against Harlington School at the start of last week, playing extremely well and working amazingly as a team. The students were enormously successful, winning the game 4-2. Well done to you all, we are very proud of your achievement.

Rosedale College then presented their first all-girls football team, playing in a tournament against two other schools within the borough. The team played exceptionally well and were dominant throughout both games, with both games resulting in a draw. We would like to give a special mention to Ula Ulkstinaite for being outstanding in her performance. Well done to all the girls that took part; you represented the College in a competitive and professional manner and we are extremely proud of you all.

Public Examinations - Summer 2022

We have updated our Public Examinations information on our college website, which gives information about the summer 2022 examinations for Year 11 and Year 13 students. There are also some useful links for students and parents, guardians and carers about revision tips, study skills and managing examination stress. Please visit [\[https://www.rosedalecollege.uk/115/public-examinations\]](https://www.rosedalecollege.uk/115/public-examinations) for access to these resources. Year 11 have been learning about revision techniques and have been given a revision techniques booklet to help them plan their own revision timetable.

Are you Interested in Being a Parent Governor at One of Our Schools?

The Academy Board is the regulatory authority of The Trust and as such is responsible for setting the strategic direction, at a corporate level, across the group of schools within The Trust. Each school has a Local Advisory Board (LAB) which is responsible for advising and assisting the leadership of the School with the standards of high quality teaching; reviewing and reporting on the curriculum offered with reference to national and local requirements; monitoring and reviewing the progress of students in terms of academic achievements, attendance, punctuality and behaviour benchmarked against national and local performance; actively promoting the work of each school within the community; responding to external feedback from national and local bodies to continuously improve the offering of the School and wider Academy Trust.

The LAB consists of community (co-opted) members, parents, guardians, carers and staff. The skills set, expertise and commitment of each individual are fundamental, as the LAB is critical to the work of our schools and overall governance arrangements of The Trust. The College is eager to appoint two dynamic individuals as Parent Governors to support the College community in serving the entire student body to the best of its ability. If this opportunity interests you, please contact Sue Neave, Admin Officer, by email at trhat@trhat.org or contact the main college reception where a member of staff will advise you of the procedure to follow to apply for the post. Thank you and we look forward to hearing from you!

Student Photograph Orders

The individual student photograph proofs have been received by the College and have been provided per child to take home.

Orders will be limited to online ordering, directly to Fraser Portraits via (https://orderphotos.co.uk/school_downloads), or over the phone at 01202 692433. You will be required to log in with your account details or enter your proof card identification/registration code to be able to make payments.

Orders must be placed by **Monday 18th October** in order to receive free delivery back to the College. Please note that these will not be delivered until the beginning of November.

Unfortunately, any order received after this date will need to be ordered directly to Fraser Portraits and will incur an additional surcharge of £4.00 per pack. For all orders placed after the deadline date, packs will be sent directly to your home address.

The Vaccination Programme in Schools

As you are aware, the roll out of the coronavirus (COVID-19) vaccination programme has been extended to all 12 to 15 year olds. The vaccination programme will be facilitated with NHS staff attending Rosedale College on Wednesday 3rd and Thursday 4th November to administer the vaccination to each student who has returned their signed consent form. Please visit (<https://www.rosedalecollege.uk/126/coronavirus-advice-and-guidance>) for access to a range of leaflets and Frequently Asked Questions (FAQs) to enable you to make an informed decision about your child's vaccination. Please also read the letter that was distributed in September: (<https://bit.ly/2XJ6QBG>).
