# Year 8 Options Day Assembly

On 27th February 2024, Rosedale College will hold its annual Year 8 Options Day as well as Options Evening. In order to prepare the students for this day, all Year 8 students attended a series of options assemblies. The aim behind these assemblies is to inform students of the different GSCE options available to them. Both Parkside and De Salis Studio College delivered a session at these assemblies and it was encouraging to see all students engaging well and asking a lot of questions. Students are also given the opportunity to attend a series of taster sessions so that they can get a better understanding of the different option subjects. We look forward to meeting all Year 8 parents on Tuesday evening.

### Year 8 Optons Day And Evening

This year, The Rosedale Hewens Academy Trust is excited to announce Year 8 Options Day and Evening, held to support students in choosing their Key Stage 4 options. The event will take place on 27th February 2024 from 6pm till 7:30pm and will follow a series of assemblies for students to explore their Key Stage 4 subject options.

The day programme will provide students with the opportunity to receive specialist advice, guidance and information about how to choose their options. They will also be able to watch presentations from each option subject, which will explain the course content and assessment, as well as possible career routes.

During the Year 8 Options Evening event, students and their parents, guardians or carers will have the opportunity to come into Rosedale College and listen to a presentation made by the Vice Principal/Principal, where they will explain the courses on offer and the application process. There will be a dedicated Options page on each college website, with additional guidance and support for both students and their parents, guardians and carers.

Letters detailing arrangements for this event have be sent to parents, guardians and carers. In the meantime, if you have any questions about this event, please speak to your child's Form Tutor. Thank you.

## Are You Interested In Being A Parent Governor

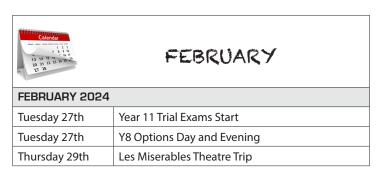

The Academy Board is the regulatory authority of The Trust and as such is responsible for setting the strategic direction, at a corporate level, across the group of schools within The Trust. Each school has a Local Advisory Board (LAB) which is responsible for advising and assisting the leadership of the School with the standards of high quality teaching; reviewing and reporting on the curriculum offered with reference to national and local requirements; monitoring and reviewing the progress of students in terms of academic achievements, attendance, punctuality and behaviour benchmarked against national and local performance; actively promoting the work of each school within the community; responding to external feedback from national and local bodies to continuously improve the offering of the School and wider Academy Trust.

The LAB consists of community (co-opted) members, parents, guardians, carers and staff. The skills set, expertise and commitment of each individual are fundamental, as the LAB is critical to the work of our schools and overall governance arrangements of The Trust. The College is eager to appoint two dynamic individuals as Parent Governors to support the College community in serving the entire student body to the best of its ability. If this opportunity interests you, please contact Sue Neave, Admin Officer, by email at trhat@ trhat.org or contact the main college reception where a member of staff will advise you of the procedure to follow to apply for the post. Thank you and we look forward to hearing from you!

## Are You A Carer

Hillingdon have released the attached guide to provide carers with more information on the support available from the Local Authority.
