

Rosedale College receives national recognition for performance

Rosedale College are delighted that their excellent outcomes have been recognised by SSAT (The Schools, Students and Teachers Network) in this year's Educational Outcomes Awards. The award recognises that Rosedale College is among the highest performing secondary schools in the country, based on 2023 performance data and information from Ofsted.

Rosedale College was recognised in two categories, receiving awards for being in the top 10% of schools nationally for student progress and in the top 10% of non-selective schools for student attainment in the 2023 end of KS4 exams.

The SSAT Educational Outcomes database compares all state-funded schools in England. To be recognised with an Educational Outcomes Award is a significant achievement and a testament to the work of the whole school community.

Sue Williamson, Chief Executive of SSAT said:

“Congratulations to Rosedale College on winning two SSAT Educational Outcomes Awards. This success is down to the superb learning and teaching, outstanding support and inspirational leadership of students, staff, parents and governors. You have made a huge difference to the lives of the young people in your school. Thank you.”

ENDS

Note to editors:

SSAT, the Schools, Students and Teachers network is a membership organisation of schools and academies. They have been working with leaders, teachers and students for over 30 years to drive school improvement and innovation and support their members through networking opportunities, professional development and school improvement programmes.
