

School Book Fair

Rosedale College recently hosted its first, much-anticipated Scholastic Book Fair, transforming the library into a vibrant hub of literary excitement. Students and teachers were immersed in a world of books, celebrating the joy of reading and the adventure that comes with each page turned, as all Key Stage 3 students got to visit at least twice during their English lessons.

The fair featured a wide array of books catering to all ages and interests. From graphic novels to thrilling teen-fiction novels and some of the classics from the literary canon, there was something for everyone. The selection also included educational resources, engaging non-fiction titles, and popular series that kept readers coming back for more.

The Book Fair wasn't just about selling books; it was about creating a community of readers. Proceeds from the fair go towards purchasing new books for the school library, ensuring that our students continue to have access to diverse and exciting reading materials.

A big thank you to the English Alliance and Mrs Theepan in making this event a success. The Scholastic Book Fair will be back in the autumn, hopefully inspiring a love of reading in our students that will last a lifetime.

Cricket Tournament at Eastcote Cricket Ground

The boys participated in their first cricket tournament on 12th June 2024 at Eastcote Cricket Club. They did a fantastic job and ended up coming 3rd in the borough! It is amazing how much progress the students have made in the last year, especially considering that most of the students have never played hard ball cricket. They handled it really well and showed their sporting abilities. Our star batsman in the tournament scored a total of 63 runs. He scored 25 runs in 2 overs and had to retire to allow other students to bat. He hit a total of 2 sixes and 5 fours in the tournament. Our star bowler had a total of 7 wickets in 3 games.

He was very close in getting 3 wickets in 3 balls. Finally, we had some massive improvements with other players over the course of the tournament. They all managed to finally get the hang of bowling and get a couple of wickets each. Our fielders were excellent too, with a couple of catches and fast aggressive fielding. This is the first step in getting the boys enjoying cricket, with the hope they can take it up outside of college and progress further. A massive congratulations to the boys for their 3rd place finish and commitment to coming to club every single week.
