

In It to Win It!

The Year 10 and 11 boys played in a rugby tournament on Thursday 18th November at Queensmead School. Our students unfortunately lost their first two matches against Haydon and Queensmead, but went on to win the next two matches against Westminster and Ruislip High. The students have realised the importance of attending training, which would certainly have eliminated the mistakes that were made in the first two matches. Once the team tidied up their game, they played really well. Well done to all the boys; you certainly picked up the pace and showed the other teams that we are still in it to win it!

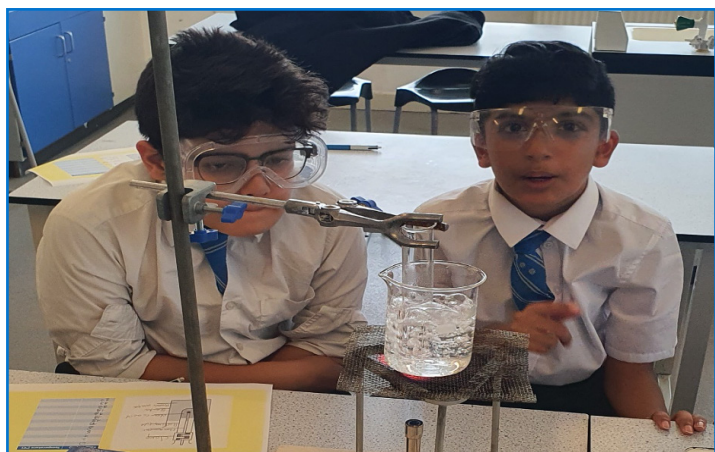

We would also like to congratulate our Year 7 students, who played their first ever rugby match against Hewens College on Wednesday 17th November, and drew with 3 tries each. We are super proud of our team, and have high hopes for them in future.

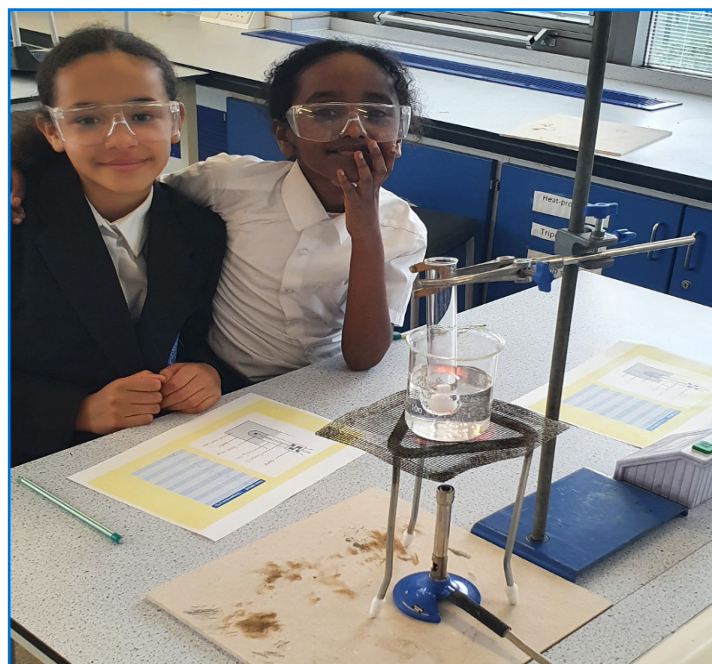

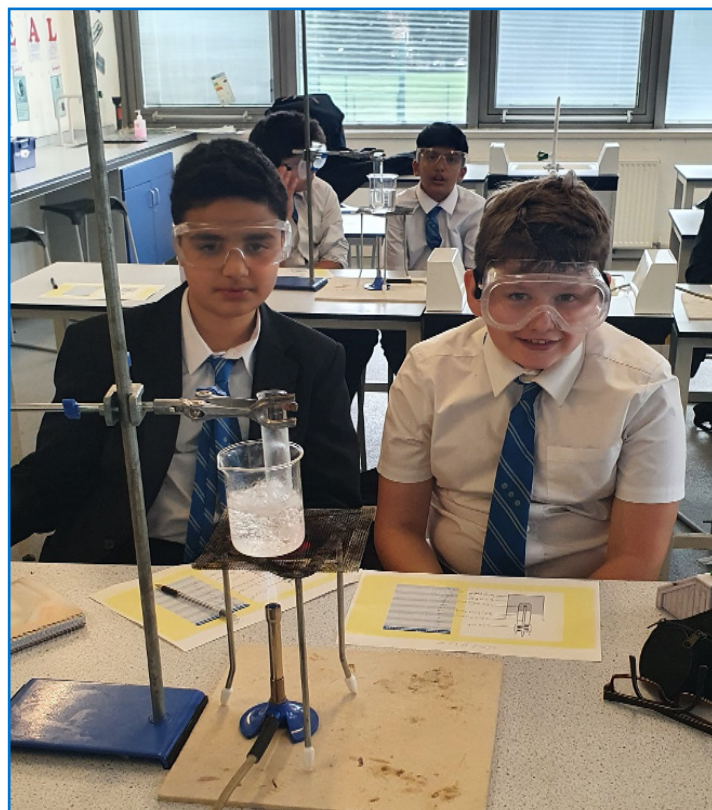

Are We at Melting Point?

Practical work is at the core of all lessons in the Science Alliance. Recently, students in Year 7 carried out a practical to determine the melting point of stearic acid. Finding the melting point of different substances is very important as it can determine whether the substance is pure or impure and also helps in the

identification of unknown substances. Allowing our students to be exposed to these practicals from Year 7 helps them to develop the skills needed for GCSE and by extension, the wider scientific community. This is another example of students having fun while learning in the Science Alliance.

Trial Examinations - Year 11

Trial examinations for all Year 11 students will continue to take place from Monday 29th November to Friday 3rd December. It is of vital importance that each student arrives at college at 8:45am each day, in full college uniform and with the correct equipment. Mobile telephones and other electronic devices are NOT PERMITTED to be taken into the examination hall. Students will not have study leave during this time, so are expected to attend normal lessons when not in an examination. The examination timetable is as follows:

Date	Start Time	Examination
Monday 29th November	10:00 to 11:45am	History Paper 1
	1:45 to 3:00pm	Chemistry Science Combined
	1:45 to 3:30pm	Chemistry Science Extended
Tuesday 30th November	9:00 to 10:45am	English Literature Paper 2
