

## Celebration Evening

On Wednesday 10th of July, Rosedale College hosted its annual Celebration Evening. It is one of the highlight events of the calendar year, as it celebrates the achievements of those students who are the top achievers in their specific subject areas.

What makes the evening even more special is that parents, guardians and carers get to attend the evening alongside their children.

We are incredibly proud of all students who managed to win an award on the evening. It is very difficult to be the top student in a particular subject for the entire year group.

A special congratulations to Arjunvir Singh and Amrit Hans who won the Vice Principal awards whilst Leo Gredji won the Principal's award.

## Sports Day

On Thursday 11th and Friday 12th July we had our annual Sports Day and we had an amazing two days of athletics. It was amazing to see the trust come together and compete against one another.

The whole two days had a great atmosphere with pupils supporting and cheering on each other.

It was also a great display of some extremely talented pupils, and shows how many amazing athletes we have within the trust. All our students represented the college in a fantastic way and it was a great experience had by all.

## Summer Festival

The summer festival was really a treat this year. The performers practiced long and hard in order to make the show a success.

The concert saw performances from all cohorts within the Rosedale Hewens Academy Trust and that a true testament to the collaboration we love to see between all.

The best part of the show was that it had different genres and styles of music and the diversity of students involved was evident.

The drummers in 8P opened the show with a bang and the momentum was kept right to the very end. We were treated to versions of "Party in the USA", "Roar", "Rolling in the Deep", "Beauty and the Beast" and it was just a spectacular show.

The talents on display by the students were unmatched and the audience was then blessed with a final performance from the staff band which closed the show.

It was indeed a beautiful evening and the reviews given from the audience and the performers speaks to that. We look forward to the next music festival.

## Recycle and Re Use Uniform

As the summer term is coming to an end, please consider recycling your child's pre-loved uniform by donating it back to the school/college to support a family in need of updating their child's uniform for September. The donation/collection point is located at the School/College Reception. Pre-loved uniforms will be available for free throughout the college year for our parents, guardians and carers in need of support.

Parents, guardians and carers are encouraged to contact the College for access to these uniforms. Uniform in wearable condition can be donated to and collected from the College at any time.

If your child's college uniform is irreparable, it can be upcycled into new and transformed items. You can recycle irreparable uniforms through a number of routes via charity shops, recycling banks or your local HWRC (Household Waste and Recycling Centre). This will give irreparable uniforms a new lease of life which will have a positive impact on the environment.
