

## GCSE Results Day 2024

On Thursday 22nd of August all year 11 students collected their GCSE results. It was a long anticipated day and most students were relieved when the day finally arrived.

Most students were nervous opening their envelopes. However, it always such a special occasion when they finally look at their results and all the nervousness gets replaced with pure joy and excitement. We are incredibly proud of all our students and enjoyed talking to them about next steps. We wish all students the very best in terms of their Post 16 journey and we are sure that we will hear from them in the future. We have no doubt that they are destined for big things.

## Post 16 Introduction Day

On Wednesday 5th September, we warmly welcomed our new Year 12 to the Post-16 cohort. During Induction Day, the cohort was able to familiarise themselves with one another and the Trust, through various teambuilding activities, like "pasta and marshmallows" which broke the ice and let them get comfortable. The students had the opportunity to meet their teachers-to-be and got an insight into the courses they will be doing over the next two years.

The students were also reminded of the Trust's values and expectations which will carry them into adulthood.

Later that day, parents and students were invited to an information evening where parents were introduced to the Co-Directors and Ambassadors. One of our Ambassadors, gave the parents a short talk on the Post-16's extracurriculars, such as our trips to Universities, our Earn As You Learn Programme and the Ambassadorship programme.

## Welcome Year 7

On Wednesday 4th September, Rosedale College welcomed its new cohort of year 7 students. All students arrived very enthusiastic and they were keen to meet their teachers and fellow class students. All students participated in an array of activities on the first day. It was very clear that all students wanted to get stuck in and looked forward to some of the new subjects they would be studying such as Music, Design and Food Technology. We are very keen to get to know this new year 7 cohort. It is evident that there is a lot of talent and potential amongst the students and we hope that each and every student will take on the many opportunities offered by the college to grow and settle into the Rosedale community.
