

Boccia Team

On Friday 8th November our Year 8 Boccia Team competed in the Hillingdon Borough Tournament.

After losing the first game, Rosedale College soon hit their stride and won 3 games in impressive fashion with score lines of 11-0, 6-1 and 4-1 which saw Rosedale College finish joint 1st.

In order to find out the winner of the tournament, there was a one-shot shootout which unfortunately went in favour of the other team.

This meant Rosedale College finished 2nd, a fantastic achievement for all involved and a great day, Well Done Team!

Heathrow STEM Careers Programme

On Tuesday 12th November, year 8 students had the wonderful opportunity of participating in the Heathrow STEM Generation Programme. This programme is a free 2-hour workshop provided to schools in Hillingdon for their year 8 cohort. The workshop was delivered by Spark (an educational charity organisation) along with volunteers from Heathrow, bringing careers at Heathrow to life (focusing on engineering, but with an awareness of the vast array of careers available).

Students participated in an interactive engineering challenge where they worked in teams of four to code a BBC micro bit to navigate a motor vehicle across an A2 map of Heathrow Terminal 5. They were all engaged in the challenge and worked exceptionally well in their groups to code and navigate their vehicles along the path on the map.

Rosedale College continues to support Engineers of the future by exposing our students to an array of activities.

Health and Hygiene - Good Practice

During the winter months, colds, flus and other infections and illnesses tend to be more prevalent. Therefore, helping your child to keep a good standard of hygiene by washing their hands regularly, using tissues when sneezing and covering their mouths when coughing helps to prevent the spread of infections and illnesses. If your child has suffered from a vomiting virus, please ensure that they remain absent from college for 48 hours from the last episode of diarrhea or vomiting as advised by Public Health England.

Help us to reduce our carbon footprint by donating your pre-loved school uniform!

FLU Vaccination Consent Form

Please find the link below for the E-consent letter for your child's Flu vaccination for this coming winter.

Please note that you can consent for either the Flu nasal spray, OR the non-gelatine IM Flu vaccine.

Please make sure you complete the form online as soon as you can. The portal will close 48 hours ahead of the Flu session.

Year 7 and 8 have had their flu vaccination on the 6th November and Year 9, 10, 11 and post 16 will be on Friday 6th December 2024.

Flu can be very unpleasant for children and can sometimes cause serious problems, such as pneumonia. Children can catch and spread flu easily. Vaccinating them also helps protect others who are at higher risk of getting seriously ill from flu, such as babies and older people.

College Drop off and Collection

Please can we remind parents, guardians and carers not to block the pavements outside or opposite the College as on occasions, our students and other pedestrians have had to walk on the road as a consequence, which is very dangerous.

We appreciate that these are exceptional times in terms of managing access to the schools, however please can we request all parents, guardians and carers to be mindful of others when dropping and collecting children. Thank you.
