

Year 8 Paris Trip

On Tuesday 24th June, 32 students from Rosedale College went on an unforgettable four day trip to Paris. On the first day, en route to the hotel, students were taken to a French restaurant to sample the local cuisine. The following day was a sightseeing day, visiting Montmartre, offering the students a chance to see the magnificent basilica of Sacré Cœur along with a breathtaking view over Paris from the summit of the hill.

They were then given the chance to walk down the famous Champs Élysées to buy some gifts and souvenirs before being taken for dinner in an exclusive restaurant there. Shortly after dinner, the students had an evening visit to the Arc de Triomphe, including a visit to its roof which offered a stunning view of the Eiffel Tower. From the rooftop a storm could be seen approaching, which fortunately only reached Paris once the students were safely back in the hotel.

On Thursday the students went to Parc Astérix, which they had learnt about in French lessons at school. There were rides galore and the students had a great time practising their French skills in the restaurant and the gift shop. On the final day, before saying "Au revoir" to Paris, and getting the ferry home, there was a Bateaux-Mouches boat cruise down the river Seine, seeing all the sights from the boat, which allowed the students to take plenty of photos and make even more memories.

Green Flag Award

On Monday 23rd June, Rosedale College proudly received the prestigious Green Flag with "Distinction" from Eco-Schools UK, in recognition of our outstanding commitment to sustainability.

This honour, marked by both a Green Flag Award and a commemorative plaque, reflects the collective efforts of our school community to create a greener, more environmentally responsible future.

This achievement would not have been possible without the tireless dedication of our Eco Police, Eco Club members, and staff champions, whose hard work and passion for the environment continue to inspire. Their leadership and teamwork are shaping a generation of eco-conscious students who are not only learning about sustainability but living it.

At Rosedale College, student voice and action are at the heart of our environmental journey. Our students are becoming true eco-champions, making a lasting impact on their school, community, and planet.

Summer Festival 2025

Join Us At Our Summer Festival - In the Heat of the Music - Thursday 3rd July 2025.

Hurry! Book your ticket to our Summer Festival - In the Heat of the Music on Thursday 3rd July 2025. Our annual Summer Festival is a fun and lively evening of harmonic sound and entertainment. It's the perfect way to celebrate summer with friends, family, and our local community.

The show will be held in Rosedale College Hall at 6:30pm, with refreshments available from 6:00pm.

Alliance Challenge

Our annual Alliance Challenge programme will commence on 9th July culminating on 17th July 2025. The Alliance Challenge programme is designed to develop students' skills in a number of disciplines. This year, students will work together in Alliance teams on a range of daily and extended projects: activities, which require them to problem solve; creative production and activities, which will enhance their literacy and numeracy.

In addition, we will be incorporating an extensive sporting program in an attempt to promote healthy living and mental well-being.

We request students to be sent to College in only their full School Uniform and to bring full College P.E kits in a bag.

There will be no extracurricular clubs during this week. During the Alliance Challenge programme, the College will have an early finish during the duration of Alliance Challenge, from time 3pm

Water Bottles

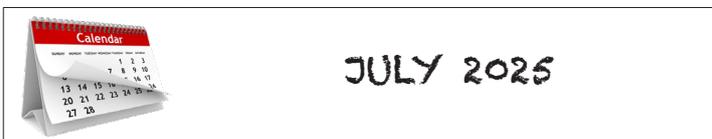

Research has shown how being well hydrated can enhance a student's performance in the classroom and improve their general wellbeing. During periods of warm weather, it is particularly important to ensure that students stay well hydrated when taking part in physical activities in lessons such as Performing Arts and Physical Education as well as during break time activities. Whilst students have access to water during the day, we would advise that all students bring a bottle of water to college that can be refilled throughout the day.

RECYCLE, RE-USE - COLLEGE UNIFORM

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved college uniform in order to reduce our carbon footprint.

This is a great opportunity for our college to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's college to support our campaign for green initiatives whilst helping our families in need of support.

JULY	
7th July	KS3 Sports Day
8th July	KS4 Sports Day
9th - 17th July	Alliance Challenge College Finishes at 3pm
10th July	Cultrual Carnival Talent Show
10th July	HPV Vaccination - Year 8
11th July	Prom Night
14th July	Celebration Evening

	<p>Week Commencing: Monday 8th July</p> <p>MENU 3</p>
---	---

MONDAY		
Meal Choice 1	Chilli Con Carne with Pitta Bread or Rice	Halal
Meal Choice 2	Chicken Sausages with Mashed Potatoes and Onion Gravy	Halal
Meal Choice 3	Chicken Sausages with Mashed Potatoes and Onion Gravy	Non Halal
