

## Prospective Year 7 Open Evening

Rosedale College had its annual Open evening for prospective Year 6 students on Tuesday the 16th September. The evening was a great success as it attracted a large number of prospective students and their families. During the course of the evening, staff and current students enthusiastically showcased the college's facilities, curriculum, and extracurricular activities.

Visitors were impressed by the welcoming atmosphere and the clear dedication to academic excellence and student development. The open evening not only provided valuable information but also created a strong sense of community, leaving many attendees eager to join the College in September 2026.

## New Year 7 Students

The newest cohort of Year 7 students entered Rosedale College and we cannot contain our excitement about it! They have made the most fabulous start to a new academic year and a new school and have proven themselves to be punctual, patient, polite and of course, playful! All teachers at the College have remarked on how good of a year group they are. They are keen to learn and participate in all activities with such zeal and readiness to make progress. It is so lovely to watch the Year 7s enjoy their childhoods as they should, especially at break and lunch when they run around the playground or play football on the Astro. Despite only being at the College for a short time, they have already proven themselves as Ambassadors as they supported on Open Evening and have been tour guides for even newer students joining the College. They are well and truly part of the fabric at Rosedale College now and we cannot wait to spend the next 5-7 years working with them to see them reach their full potential (which they have lots of!)

## Duke of Edinburgh Camping Trip

Last week, a group of determined Year 11 students embarked on their Duke of Edinburgh Bronze Award expedition in the stunning Chiltern Hills. An unforgettable two-day adventure filled with teamwork, resilience, and a fair bit of mud!

Armed with rucksacks, maps, and a spirit of adventure, the students navigated their way through rolling hills, ancient woodlands, and picturesque villages. Despite the occasional wrong turn, every team showed incredible perseverance and problem-solving skills.

Camping overnight under the stars, they cooked their own meals, set up tents, and shared stories around the campfire. For many, it was their first time being so independent outdoors—and they rose to the challenge brilliantly.

The expedition wasn't just about hiking; it was about building confidence, learning to work as a team, and pushing personal boundaries. Staff and assessors were incredibly proud of how each participant supported one another and stayed positive throughout.

A huge congratulations to all who took part, you've not only completed a key part of your Bronze Award, but also created memories that will last a lifetime.

## RECYCLE, RE-USE - COLLEGE UNIFORM

As the summer term is coming to an end, please consider recycling your child's pre-loved uniform by donating it back to the school/college to support a family in need of updating their child's uniform for September. The donation/collection point is located at the School/College Reception. Pre-loved uniforms will be available for free throughout the college year for our parents, guardians and carers in need of support. Parents, guardians and carers are encouraged to contact the College for access to these uniforms. Uniform in wearable condition can be donated to and collected from the College at any time.

If your child's college uniform is irreparable, it can be upcycled into new and transformed items. You can recycle irreparable uniforms through a number of routes via charity shops, recycling banks or your local HWRC (Household Waste and Recycling Centre). This will give irreparable uniforms a new lease of life which will have a positive impact on the environment.

Help us to reduce our carbon footprint by donating your pre-loved school uniform!

Visit our website for more information

**RECYCLE** **RE-USE**
