

Future Scientists In Action

On Friday 13th March as part of British Science Week, Mrs Brown and Mrs Cole, accompanied by seven Year 10 students, attended Brookside Primary School's Science Fair.

Our interactive Biology display featured engaging activities focused on heart dissection and the process of digestion. This provided a valuable opportunity for our students to share their knowledge and enthusiasm for science with younger pupils, helping to spark curiosity and interest.

The highlight of the day was the hands-on heart dissection activity. Pupils eagerly put on gloves and experienced touching a real heart for the first time. Their excitement and inquisitive approach made the experience both memorable and inspiring for everyone involved.

It was a fantastic event, and we are proud of the enthusiasm and maturity shown by our Year 10 students throughout the day.

School Drop -Off & Pick-Up Safety

We have received updated guidance from the STaRS Team at Hillingdon Council regarding safe behaviour during school drop-off and pick-up times. The council has highlighted ongoing concerns about unsafe parking, congestion, and road safety around schools, and is asking all families to help create a safer, calmer environment for children and the wider community.

To support this, the STaRS Team has provided a detailed School Drop-Off & Pick-Up Safety Information Guide, which outlines important reminders about responsible driving, safe crossing points, and following road markings such as yellow zig-zags and double yellow lines.

You can download the full document from our college website for more information:

Supporting Hillingdon Hospital

Supporting Rainbow Ward at Hillingdon Hospital - Help Us Bring Joy to Young Patients

Rainbow Ward at Hillingdon Hospital cares for children undergoing oncology treatment, day surgery, medical procedures, allergy challenges and regular blood infusions, and many of these young patients spend long, difficult hours on the ward without any entertainment to bring comfort or distraction.

To help brighten their days, we're are hoping to help raise £1,000 to £1,200 for a mobile gaming and entertainment trolley, and with your help and support—alongside fundraising from our wonderful schools and colleges—we hope to reach this goal.

How You Can Make a Difference - Donate to the GoFundMe Whether it's 50p, £2, £10 or £20, every single donation brings us closer to placing this trolley into the hands of the children who need it most. Visit our website for more information and to access the GoFundMe page. We kindly ask you to donate, only if you can, share it with others, and support in any way possible to help bring joy, comfort and a much-needed spark of happiness to the children of Rainbow Ward. Small acts of kindness become huge moments of happiness — and together, we can make this happen!
