

Attendance Award Pizza Party

Great attendance deserves to be celebrated!

The form class with the highest attendance percentage each term will earn an Attendance Pizza Party as a special reward for their commitment to being present and ready to learn each day.

On Friday 10th July 2026, Rosedale College hosted its first Attendance Pizza Party for this term's winners with a 96% average: 8T! 8T enjoyed a complimentary lunch of pizza with treats such as cookies and doughnuts to celebrate their dedication and commitment to their attendance and punctuality and were further rewarded with stickers and party hats.

Representatives from the London Borough of Hillingdon also attended to congratulate the students on their well-deserved win.

Why Attendance Matters

- Builds strong learning habits.
- Helps students stay on track academically.
- Encourages responsibility and consistency.
- Strengthens relationships with staff, peers and the wider college community.
- Promotes social skills.

Congratulations to 8L who came second with 95.9% and 8P who came third with 95.7%.

Thank you to all of our students and families for making attendance a priority. We look forward to celebrating everyone's hard work and dedication again in December 2026.

Safety Awareness On Public Transport

Personal Safety Awareness on Public Transport and Workshops - Notice From Hillingdon Police

As part of our commitment to keeping students safe, we would like to draw parents, guardians and carers attention to important guidance recently shared by the Metropolitan Police regarding personal safety when travelling on public transport. Hillingdon Police are encouraging families to discuss personal safety with young people, particularly during the summer period when students may be travelling more independently.

Alongside this important safety message, the Metropolitan Police are also offering free online workshops for parents, guardians and carers this summer, covering topics including child criminal exploitation, grooming, serious youth violence and knife crime awareness. These sessions provide practical advice on recognising risks, understanding warning signs and accessing support.

For full details of the public transport safety guidance and to find out more about the upcoming parent workshops, please visit our website:
