Dear Parent, Guardian or Carer,

**Re: Extra-Curricular Timetable**

The staff at Rosedale College believe very strongly in the importance of learning beyond the classroom as the benefits of doing so are endless. Regular participation in after school activities not only improves confidence levels and social relationships but studies show that it also leads to higher levels of academic attainment. At Rosedale College we are proud of the range of extra-curricular activities and sports offered to our students both during and after college, and of the enjoyment, experiences, academic progress, personal development and successes our students have had in these areas as a result.

We are eager to encourage all of our students to develop new interests and actively participate in the extra-curricular activities we have to offer. Students will be given the opportunity to access homework and booster clubs, work with others, engage in team building activities and in the case of sports clubs, engage in healthy competition.

Enclosed is a list of the clubs, sporting activities, and support programmes on offer. Please complete the reply slip below and clearly indicate on the reverse of this page which of these your child is interested in accessing, by simply ticking on the appropriate box. Unfortunately, some extra-curricular activities are number restricted so a prompt response is encouraged. Please ensure you tick the box where labelled below, to confirm you have made appropriate plans to get your child home safely. This is an important safeguarding issue. Failure to tick this box will mean we cannot allow your child access to extra-curricular activities.

Thank you for your time and I look forward to working with you to help your child discover the positive effects of learning outside of the classroom.

Yours faithfully,

Mr M Kennedy  
**Director for Technology & ICT**

Please complete and return to reception.

Name of Student: \_\_\_\_\_ Form: \_\_\_\_\_ Date: \_\_\_\_\_

I have indicated in the table attached the activities in which my child has expressed an interest to participate. (Tick relevant boxes).

I understand that as a result of the late endings to some extra-curricular activities I have made arrangements for my child to get home safely. ☐ (Please tick).
