

Army Teambuilding Sessions

During the week commencing Monday 16th May, Rosedale College were extremely lucky to have the army come in and deliver excellent teambuilding sessions for all students. Students absorbed how to work as a team effectively to build a vehicle that self-propelled itself across the College AstroTurf. The sessions were really fun and engaging, and the feedback from students was very positive, with most stating that they had learned some really invaluable skills.

Half Term

From Monday 30th May to Friday 3rd June, the College will be closed for the half term holiday. Please note that college finishes for all students at the normal time on Friday 27th May and commences again at 8:45am on Monday 6th June.

Half Term Booster Lessons

In order to give students every opportunity for success, some students have been invited to attend college during half term for booster classes. All students are now aware of the arrangements and letters have been sent home to parents, guardians and carers to confirm the timetable. However, if you have any questions or require any further information, please do not hesitate to contact the College reception on **0208 573 2097**.

Examinations - Supporting Your Child

As we approach the period of public examinations, it is vitally important for students to settle into regular and structured home revision to give them the best possible chance of examination success.

Below are some tips for parents, guardians and carers on how to help your child with home revision:

- Provide them with a comfortable, quiet and well-lit area to work in
- Keep siblings occupied at revision times
- Ensure they are properly hydrated and are eating well
- Ensure they have adequate sleep
- Help them to put a home revision schedule together
- Break revision times into small 15-to-20-minute periods
- Ensure they have the books and equipment they need to properly revise
- Encourage them to adopt revision techniques such as writing brief notes to act as prompts
- Keep positive, create a 'can do' attitude

Public Examinations - Year 11 and Post 16 Students

It is of vital importance that each student presents at college fully prepared for each examination he/she is entered for at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment. For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination. Students must attend the examination(s) for which they have been entered for. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place. Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

Year 11 Prom Extravaganza - Extended Date

The Year 11 Prom is underway, and while the deadline for payment was initially to be made by Monday 23rd May, we have now extended the date to **Friday 10th June** due to the fantastic turnout we have seen in previous years, and to allow more time for those who have not yet purchased their tickets.

You will have seen the video montage on screen and heard about the events of the past, but this year's prom is like no other!

With five hours of the gala devoted to good food, socialising and making memories to last a lifetime, this provides a backdrop for the most anticipated annual gathering that will have far more to offer.

For those who have already purchased tickets, you will be entitled to a **VR (Virtual Reality) or gaming experience** at the Trust where you will be able to explore the entire 360 degrees of an entire scene through a VR headset. For all of those yet to purchase tickets, there are still some great opportunities to take part in.

In lieu of the conventional prom, as a ticket holder you will receive:

- ☆ *the opportunity to take part in an internal competition designing a **Snapchat Geofilter**, with the possibility of your entry being submitted to Snapchat for use on the day, making it all the more personal*
- ☆ *the opportunity for students to showcase their talent at the venue and perform for our attendees*
- ☆ *access to a cutting edge **360 photo booth** to capture the entire experience with one button – a publicity dream for our superstars of the night*
- ☆ ***Special Guest attendance***
- ☆ *five hours of unforgettable, memories!*

To change the course of the night further, this year's event will see the full professional photography studio experience with contemporary backdrops, great lighting and the opportunity to **receive high quality photo prints instantly**.

Following the last few years that has stripped away milestones, freedom and opportunities, the Year 11 Prom will be a great way for students to celebrate the culmination of their Year 11 experience. This year's event will be exhilarating, bespoke and there will be a series of 'wow' moments that students will carry with them for the rest of their lives. We have a number of exclusive things lined up; so, get your tickets and experience the Year 11 Prom in the most extraordinary way!

Please note, we are now offering an alternative payment option. Cash payments will now be accepted in addition to iPayimpact, and should be handed in to **Mrs Sullivan** to secure your child's place.

Should you wish to discuss the details of the Year 11 Prom, please contact **Miss Patel** at apatel@trhat.org.

Push yourself beyond limits and remember, discipline, perseverance and self-belief are the keys to success.

Free Guided Cycle Rides

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).

No Smoking, Vaping and Use of Electronic Cigarettes

Smoking constitutes a fire risk and is a proven hazard to our health. Although harmful to all, passive smoking is particularly dangerous for babies and children. **Parents, guardians and carers are reminded that smoking, vaping and use of electronic cigarettes is strictly prohibited on the College grounds and is not permitted outside the College gates.** Please support us in our duty of care for your child by ensuring that you adhere to our 'No Smoking' policy. Thank you.
