

Tree Planting

On Wednesday 25th May, students from the Geography club at Rosedale College planted two coniferous trees in honour of the Queen's Platinum Jubilee. This memorable event marks 70 years of the Queen's service to the nation and calls on citizens to plant a tree to mark Her Majesty's illustrious reign. The students were also aware of the annual Earth Day celebrations held on Friday 22nd April, recognising the theme: "Invest in our Planet", and wanted their tree planting effort to recognise this event.

The coniferous trees were chosen because it is closely related to the evergreen family. Evergreens retain their leaves throughout winter, symbolising strength in hardship. Consequently, these trees were ideal to honour the Queen's Green Canopy project.

Congratulations to all the young and active ambassadors of the Earth from Key Stage 3 who took part in the tree planting event.

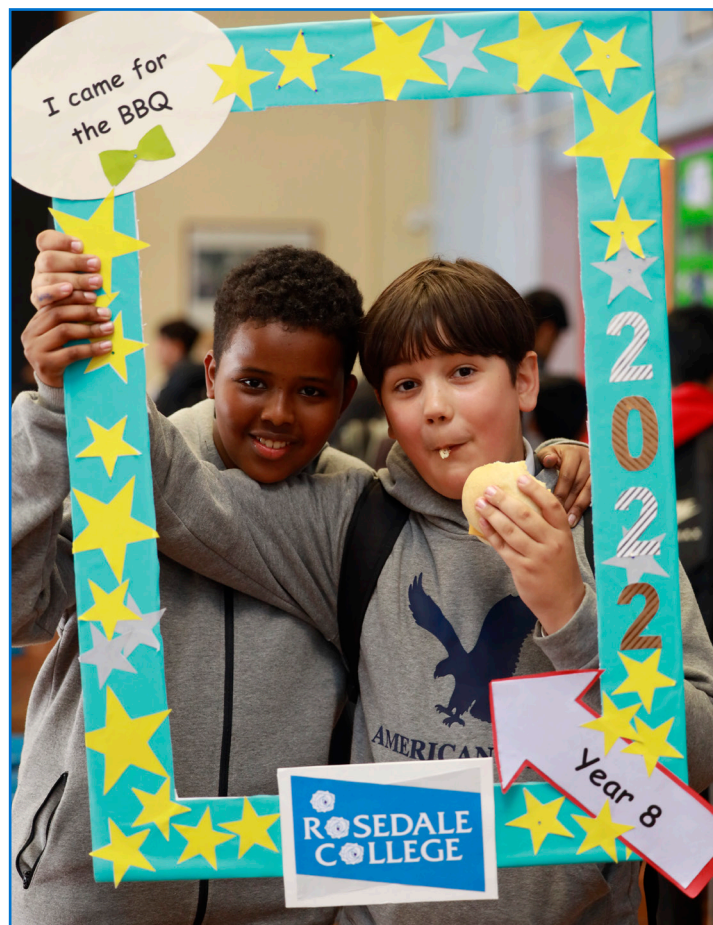

Year 8 Leavers Barbeque

Rosedale College held its annual Key Stage 3 Barbeque celebration on Thursday 26th May, which was again a great success. Rosedale celebrated all the success our students have had over Key Stage 3 and it was an opportunity to say goodbye to the students moving to Parkside and De Salis.

Students enjoyed socialising with their friends and took part in a number of activities. There was a staff versus students cricket match, that was closely contended with some excellent batting on show for the Year 8 team. The Year 8 students will be looking forward to a rematch after the staff team took the victory!

Our Art teacher had a very popular craft table, and the students were very creative in their jewellery and mask making!

The food was delicious. We would like to stake this opportunity to say a big thank you to the canteen and premises staff who always work hard behind the scenes to make this event such a success. Thank you to all the staff who supported the event and we wish all students every success in their chosen GCSE courses.

Public Examinations - Year 11 and Post 16 Students

It is of vital importance that each student presents at college fully prepared for each examination he/she is entered for at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment. For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination. Students must attend the examination(s) for which they have been entered for. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place. Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

Examinations - Supporting Your Child

As we approach the period of public examinations, it is vitally important for students to settle into regular and structured home revision to give them the best possible chance of examination success.

Below are some tips for parents, guardians and carers on how to help your child with home revision:

- Provide them with a comfortable, quiet and well-lit area to work in
- Keep siblings occupied at revision times
- Ensure they are properly hydrated and are eating well
- Ensure they have adequate sleep
- Help them to put a home revision schedule together
- Break revision times into small 15-to-20-minute periods
- Ensure they have the books and equipment they need to properly revise
- Encourage them to adopt revision techniques such as writing brief notes to act as prompts
- Keep positive, create a 'can do' attitude

Snapchat Competition - Year 11 Prom

Want your own customised Geofilter to be used by your 'Snapchatting' peers on the night of the Year 11 Prom? Enter our competition!

Calling all Year 11 Prom ticket holders... We're giving you the chance to take part in an internal competition. You will have the opportunity to design a customised snapchat Geofilter with the possibility of your entry being submitted to Snapchat for use on the evening of the Year 11 Prom!

Entry is open to Year 11 Prom 2022 ticket holders only and ticket holders are limited to one submission per person. Illustrations must be original, hand-drawn on white paper and submitted digitally (take a photograph or photocopy your design); a template can be accessed via (<https://bit.ly/3zifXKg>) should

you wish to use this. To increase your chance of winning, bonus entries will incorporate this year's theme 'A Night on the Red Carpet'. Entries must be received by Miss Patel at apatel@rhat.org by the competition deadline of Friday 8th July. The winner will be announced before Friday 15th July. Good luck and we look forward to seeing all your wonderful illustrations!

Free Guided Cycle Rides

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).
