

Year 11 Leavers Assembly

On Friday 17th June, Rosedale College's Key Stage 4C cohort of 2022 celebrated their last official day, and what a day it was! Their final Achievement Assembly really demonstrated the team spirit of this cohort. Achievements across E, A, L, H, M, S, P and T were celebrated with equal vigour and fervour; the cheers echoed throughout the hall and the claps were resounding for each and every nominee and winner. Our footballers, our scientists, our writers and linguists, our engineers, all were given rounds and rounds of applauses. It is truly a humbling experience to see our young people champion each other. The difficulties they have experienced together have bonded them and it shows. The cohort were only 14 years old when they experienced educational disruption like no other. Fast forward to today, and they are the first cohort to sit their GCSE examinations, post-pandemic. The College has been extremely proud of the students' resilience and their determination to succeed.

For many teachers at Rosedale College, we have taught this cohort from Year 7 all the way to Year 11, and their growth often leaves us in awe. They have turned into sophisticated, spirited and confident young people and they are truly such an intelligent group. Their ability to handle difficult and challenging concepts across the College's curriculum areas is impressive. We wish the graduating class of 2022 all the best in the future and we cannot wait to see the greatness they will undoubtedly achieve.

The Votes Are In!

The elections for President and Vice President of the student council took place at Rosedale College on Thursday 16th June. Students from Years 9, 10 and 11 were voting during their timetabled Citizenship Studies lesson, with Year 8 students casting their votes during form time. Each student was given ballot papers and requested to vote, by marking an 'X' beside the student of their choice before placing their vote into the ballot box. Students made two votes; one for the Year 10 candidate for the post of Vice President and one Year 11 candidate for the post of President.

The ballot papers have been collected, and carefully counted, and we are pleased to announce, our new Vice President and President are... Kailani Earlington, with a fantastic 256 votes for Vice President, and Khadar Abduhalli with a whopping 304 votes for President!

Well done to you both, we are so proud of you, and super excited to see what ideas you have to make Rosedale College an even better place of education for your peers.

Public Examinations - Year 11 and Post 16 Students

It is of vital importance that each student presents at college fully prepared for each examination he/she is entered for at least 30 minutes before it is scheduled to commence. Students are required to attend all examinations in full college uniform and with the required equipment. For Science and Mathematics examinations, they must have a calculator, ruler, pencil and a geometry set. Students must also bring a black biro to each examination. The use of mobile telephones and other electronic devices are NOT PERMITTED in the examination hall. Therefore, it is requested that students do not bring these items to college when they have an examination. If students do need to have any such devices with them, they must hand them to the invigilation staff at the start of each examination. Failure to do so may result in disqualification from the examination. Students must attend the examination(s) for which they have been entered for. In the event of illness or an emergency situation that prevents your child attending or means your child will be late, please make contact with the College as soon as possible so that appropriate advice can be given and arrangements put in place. Please note that your child's final examination grade will be adversely affected if he/she fails to attend a scheduled examination.

The examination timetable for Monday 27th June is as follows;

| Date | Time | Examination | Length |
|------------------|--------|----------------------------------|-------------------|
| Monday 27th June | 9:00am | Persian Writing | 1 Hour 25 Minutes |
| | 1:30pm | A2 Further Mathematics: Paper 4B | 1 Hour 30 Minutes |

Apprenticeships - We're hiring!

Is an apprenticeship the right path for your child?

- Does your child want to learn and earn at the same time?
- Do they have an interest in learning specific skills whilst learning valuable employability skills?
- Is your child looking to start a career from September?
- Is your child 16 or over?

If the answer is YES, then an apprenticeship may be the right choice for your child's future career path! We want to hire career-driven, motivated and hardworking students who want to further develop their employability skills and join us as a member of our team whilst they learn and earn!

Current Apprenticeship Vacancies:

Health Protection in Educational Settings

Immunisation is a key intervention to help give children the best start in life. Evidence shows that school-based delivery of immunisations reduces health disparities by making access to vaccines easier for all.

As a Trust, we have a vital role to play in supporting the routine immunisation programme through effective sharing of information with parents, guardians and carers about the routine immunisations their children should be up to date with at key contact points. Further information about the vaccinations offered, the delivery of immunisation programmes and the outbreak response can be accessed via (<https://bit.ly/3N1K0t1>). For a wide range of immunisation support resources for educational settings, please visit (<https://www.healthpublications.gov.uk/Home.html>).
