

A Trip with a Big Bang!

After two long years of lockdown, The Big Bang Fair is back and students in Years 8 and 9 at Rosedale College had the chance to go and discover all the wonderful attractions on offer, relating to STEM subjects, Science, Technology, Engineering and Mathematics. Students were able to experience and engage with a host of exciting, interactive activities which had been designed specifically with 11 to 14 year olds in mind, to provide the best careers inspiration, advice and opportunities to meet with real scientists and engineers. Future young inventors and experimenters, future game-changers and lifesavers were given the opportunity to develop and shine in The Big Bang Competition and experience Big Bang Digital showcases, illustrating surprising ways to build a brighter, greener world.

Activities included virtual and augmented reality tours, coding, robotics, simulators and drone flying and a wealth of other exciting experiences. Students were engaged from the moment they entered the National Exhibition Centre (NEC) and were very positive about the many experiences in which they actively took part. It was certainly an engaging, exciting and informative experience for them all. Gurdeep, was lucky enough to be one of only two students amongst the many thousands at the fair to win his own drone. Well done Gurdeep!

We certainly can't wait to take students again next year and help to shape the new industry and business leaders of the future whilst maintaining a world-wide admiration for the UK's leading role in Science and Technology.

Year 6 to 7 Transition Day

This year, we are making provisions to welcome back our new Year 7 students onsite to the annual Transition Day for Rosedale College. The event will take place on **Tuesday 5th July** and a letter with further details has been distributed to our new students. We look forward to meeting our Year 7 cohort next week!

Free Guided Cycle Rides

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).

Alliance Challenge

Once again, we are finalising preparations for our annual Alliance Challenge, which will take place from Wednesday 6th July, culminating on Monday 18th July. The Alliance Challenge programme is designed to develop students' skills in a number of disciplines. Each year, they work together in Alliance teams on a range of projects and activities from technical problem solving to creative design and production. We are looking forward to seeing applied skills, talent and creativity from all students as they compete in a variety of challenges.

During the Alliance Challenge programme, the usual timetable will be in operation until 1:30pm followed by students working in their Alliance areas on various challenges until 3:30pm after which the students will be dismissed. Students are to wear their college uniform as per normal and any student found not to be in full college uniform will be sanctioned accordingly. Students will be allowed to wear their Physical Education Kit for the afternoon sessions. There will be no extracurricular clubs during these two weeks. Thank you.

Year 9 HPV Vaccinations - Friday 8th July

On Friday 8th July, the NHS Immunisation Team will carry out the 2nd HPV vaccinations on our students in Year 9 (age appropriate Year 9), which form part of the Teenage Booster immunisations. The vaccinations will only take place for students who have returned their approved consent forms. If you have any questions about this, please do not hesitate to contact the College reception.

Snapchat Competition - Year 11 Prom

Want your own customised Geofilter to be used by your 'Snapchatting' peers on the night of the Year 11 Prom? Enter our competition!

Calling all Year 11 Prom ticket holders... We're giving you the chance to take part in an internal competition. You will have the opportunity to design a customised snapchat Geofilter with the possibility of your entry being submitted to Snapchat for use on the evening of the Year 11 Prom!

Entry is open to Year 11 Prom 2022 ticket holders only and ticket holders are limited to one submission per person. Illustrations must be original, hand-drawn on white paper and submitted digitally (take a photograph or photocopy your design); a template can be accessed via (<https://bit.ly/3zifXKg>) should you wish to use this. To increase your chance of winning, bonus entries will incorporate this year's theme 'A Night on the Red Carpet'. Entries must be received by **Miss Patel** at **apatel@trhat.org** by the competition deadline of **Friday 8th July**. The winner will be announced before Friday 15th July. Good luck and we look forward to seeing all your wonderful illustrations!

Holiday Activity and Food Programme

Hillingdon's Holiday Activity and Food (HAF) Programme is a national initiative funded by the Department for Education (DfE) and managed locally by Hillingdon Council to enable children and young people to access free holiday provision over the summer period. It is open to those aged between 5 and 16 years old (including 4-year-olds if in Reception), and young people up to the age of 18 years old with Special, Educational, Needs and Disabilities (SEND) who are in receipt of Free School Meals. Through the programme, children and young people can develop new skills, take part in creative and physical activities, learn about food and cooking, and enjoy nutritious meals each day. To check whether your child qualifies for the HAF Programme, please visit (<https://www.hillingdon.gov.uk/article/9020/Information-for-parents>).

Facebook - Stay Connected

Please follow **The Rosedale Hewens Academy Trust** on Facebook via (<https://www.facebook.com/T.R.H.AcademyTrust>) to stay up to date with the exciting content we post each week and brace yourselves for many more memorable snapshots encapsulating the valuable opportunities offered at the Trust, providing students with engaging, exhilarating and unimaginable experiences!

Don't Face It Alone Campaign

Thousands of young people experience bullying every day. Youth charity, The Diana Award is currently running Don't Face It Alone, an anti-bullying campaign encouraging young people to **#SpeakOutAboutBullying**. Becoming an upstander and actively speaking out against bullying takes courage, assertiveness, compassion and leadership. The campaign aims to get the nation talking about bullying and the positive steps that can be taken to prevent it. For useful guides, support packs and sage advice, please sign up at (<https://bit.ly/3QTXs53>).
